

## PREFACE

While on a pilgrimage to *St. Rita of Cascia* in Pennsylvania on June 12, 2001, Mary S. Reilly was blessed with a vision, which she believed to be of Mary, the Mother of God.

On Sunday, July 1, 2001, Mary had a strong desire to visit Our Lady's Shrine behind *St. Mary's of the Lake Church*, in Skaneateles, New York, to pray the rosary. Mary went there to pray and heard Our Lady speak to her interiorly and request that she come to the Shrine the next evening and bring two friends. On that Sunday of July 1, 2001, Mary was given the first of what would be many visions at this beautiful, but humble grotto (one of three built in Upstate New York by Father Marianus Nowakowski, in thanksgiving and tribute to Our Blessed Mother after she appeared to him three times while imprisoned in Nazi concentration camps during World War II.)

During private revelations at her home, Mary began receiving messages dictated to her from Our Lord. He asked that His messages be made known. I have studied these messages and have become very close to Mary Reilly, and as far as I can discern, the messages are authentic.

Fundamentally, Our Lady is asking, as always, that we pray and fast, go to Mass frequently, receive the sacraments, attend confession regularly, and be kind and charitable to others. As simple as her demands are, few are responding to them. That is why we have gathered all of these messages from Our Lord and Our Blessed Mother, and asked all to read them, meditate on them and put them into practice.

Mary is our Mother. As our Mother, she is concerned for us all. We need only do what she asks. At this writing, Mary Reilly continues to receive messages from Our Lord and Our Blessed Mother. These inspiring words have been recorded in this book.

*I, Father Albert J. M. Shamon, have studied these messages and have found nothing in them contrary to the teachings of Holy Mother Church.*

Chapter 1  
Beginnings  
(July)

July 1, 2001  
Sunday

On Sunday, July 1, 2001, the first apparition occurred at the grotto of Our Lady at *St. Mary's of the Lake Church*, Skaneateles.

That Sunday evening was a beautiful one. I drove to Auburn to buy coffee. On my way back to Skaneateles, I experienced a very strong desire to go to Our Lady's shrine at *St. Mary's of the Lake Church* to pray the rosary. So, I drove there and was sitting in my car praying the rosary. No one else was there. Then I noticed the sun to my left, over in the tree line. Suddenly, the sun appeared to be about a twelve inch disc that came right through the trees about eight feet from the ground. The sun was in front of the trees and it turned into a six foot oval of light. There seemed to be a million rays of light coming from the oval. All of a sudden, there appeared two hearts: the Heart of Jesus and the Heart of Our Lady. Our Lord's Heart was the most beautiful magenta red, and Our Lady's, the most beautiful cobalt blue. They were pulsating just like human hearts and they were side by side. I was surprised, to say the least, at what I was seeing. I took my glasses off and then put them back on, for I thought I was seeing things. I rolled my car window down to make sure I was not seeing things. I was filled with peace. This vision lasted about fifteen minutes. I drove home and did not say anything about what I had witnessed to my husband.

Later that same evening, I was working on the computer when I heard Our Lady's voice. She said, "I am the Holy Mother of God. I am your constant protection. And I wish for you to return to my shrine tomorrow night at 8 pm and to bring two friends." I assented, and I still felt completely at peace. I felt excited but also cautious. I wondered, whom could I possibly ask? Who would believe me? I thought of a friend who had recently been on a pilgrimage with me.

July 2, 2001  
Monday

I called her the next morning and she agreed to go with me. She called her friend who had also been on the same pilgrimage with us and she too

agreed to come to the grotto. We arrived there that night at 7:45 pm. Promptly at 8:00, the Hearts of Jesus and Our Lady appeared.

At this second apparition at the shrine of Our Lady, the sun appeared with a million rays of golden light all around it. Then the Sacred Heart of Jesus and the Immaculate Heart of Mary appeared. The Sacred Heart of Jesus was the most beautiful red; and the Immaculate Heart of Mary, the most beautiful blue. Their hearts were pulsating. After a few minutes, a vision was given of the New York City skyline, all ablaze.

Our Lady instructed me that the grotto behind *St. Mary's of the Lake Church* would become a sacred place. When the time was right, she said many people would gather to the grotto. She also said that I was to wait for her further instructions. The hearts of Jesus and Mary appeared again and stayed with us a few more minutes, then disappeared. We finished two more decades of the rosary, and the Immaculate Heart of Mary reappeared for a couple of minutes. Our Lady said she would see us again soon.

Later that night, I was home and Our Lady told me to come back to her shrine on Wednesday, July 11, 2001 at 9:00 pm, and to bring a group of friends.

July 6, 2001  
Friday

One night at home (Friday night), Our Blessed Lord spoke to me. He said, "Receive My spirit. You are given the gift of healing and prophecy."

The next morning I was driving to the Convent. My dear friend, Sister M, invited me to the First Saturday Mass. On the way there, Our Blessed Lord spoke to me. He said, "Be brave and do not be afraid. I will open all the doors. I will knock on the doors."

There was a lady at the monastery who asked Sister M to give the chaplain at the monastery a petition in which she was asking to be healed from sciatica. While she was standing next to me, Our Savior told me to place my hands on her. I told Sister what Our Lord had requested and that He told me to say, "In the name of Jesus, be healed." I told Sister that I was not quite sure how to do this. Sister instructed me to sit next to this lady and say, "In the name of Jesus, be healed."

Mass followed. After the Consecration, there was a loud and clear knock at the door, three times; and then another knock came three times from the direction of the altar. Sister M stood up and said, "Open the door." A lady opened the door but there was no one there. Sister M looked at me and I

quietly said that I would tell her later. After Mass, sister asked me, "Who was it that knocked?" I told sister, it was Jesus.

On the drive home, Our Blessed Lord spoke to me and said, "Thank you for letting Me use you during the healing." Our Lord then told me He had assigned me a fleet of holy angels and that they would be with me every moment protecting me, along with His Holy Mother. I had my hand out of the car window driving home; I placed my hand on the roof of the car and could feel a little cherub's hand in mine.

July 10, 2001

Tuesday

While I was praying at home in the evening, Our Lady spoke to me and said, "I am the Mother of Consolation."

While I was giving praise to God, Our Blessed Lord spoke to me and said, "I have placed a seal on your heart, the seal of love, consolation and peace. You are clothed in your baptismal cloak. The faithful will come from all over."

July 11, 2001

Wednesday, 9:00 am

On this Wednesday morning, I visited Father M. After my visit, I returned home. While praying there in front of my crucifix, Our Blessed Lord spoke to me and said, "I have filled you with the grace of the Holy Spirit." Then Our Lord instructed me to go and get my holy water so that He could bless me. I did and returned to the crucifix. Our Lord then said, "I anoint you in the name of the Father, and of the Son, and of the Holy Spirit."

Later on, that day, the Sacred Heart of Jesus and the Immaculate Heart of Mary appeared to me. I also saw St. Francis (in profile) standing to the left. He was dressed in a brown robe.

Wednesday, 11:23 am

As I was marbling a fireplace at a client's home in Skaneateles, I was apprehensive about going to the grotto that night with a group of friends, as Our Lady had requested. It was then that God the Father spoke to me and said, "As I have sent My prophets before you, now I send you to go out among the nations to spread My Son's message of love for all of mankind. You are clothed in your baptismal cloak." At this time, the birds were singing loudly and beautifully!

Later on that same day at 6:27 pm, I was praying at home in regards to the invitation by Our Lady to be at the shrine at *St. Mary's of the Lake Church*, at 9:00 pm. Our Lady spoke to me and said, "My child, we will be there, we love you. You are clothed in your baptismal cloak." The birds were singing loudly and clearly.

Wednesday, 7:00 pm

Around 7:00 pm, the Sacred Hearts of Jesus and Mary came to me in the back yard. I called Sister M, prayed with her, and then got ready to go to the shrine. I met my friend at my store and we left for the shrine. Driving there, I saw a blue disc that covered the sun completely.

When we got there, my other friends had already arrived. Lastly, Father Shamon came and began the rosary. The Immaculate Heart of Mary appeared; it was blue and pulsating. The Sacred Heart of Jesus also appeared. It was a beautiful red color and pulsating. Both Jesus and Mary stayed with us until about 8:30. After they had disappeared, we began to visit with each other and to look at the pictures of the apparitions.

Then about 8:45 pm, we started to pray the rosary. As we were praying, the statue of Our Lady came to life and then my arms were drawn upward and my head went back. I began to look upward, first at the cross on top of the shrine and then up to Heaven. I remained like this for about fifteen minutes. The birds were singing. I heard our group praying but then they stopped. Our Lady wanted them to continue praying. Father Shamon continued the rosary. Then Our Lady requested that Father pray the Angelus. As we did, Our Lady appeared to the left of the shrine with the Baby Jesus. The group was singing and Our Lady was pleased. Our Lord told us to bow our heads and receive His Blessing, we did. Our Lady requested Perpetual Eucharist Adoration, "At this place." She thanked us for coming and for responding to her call and said she would come back soon. Our Lady told me that she wanted us to come back on July 18, 2001 at 9:00 pm.

July 12, 2001

Thursday, 6:45 -7:30 pm

During the apparition of the Sacred Heart of Jesus and the Immaculate Heart of Mary, Our Lord spoke to me and said, "Instruct My priests to venerate the Blessed Sacrament in every Tabernacle on every altar throughout the world. My child, love one another as I have loved you. I am the Way and the

Truth and the Life. By My holy cross, I have redeemed the world. Mary, you are so precious to My dear and divine heart. I love you, Mary."

Then Our Lady spoke to me and said, "My son has given you a great gift of healing and prophecy. We will guide you, be strong, we are with you always. May your spirit remain joyful and confident. Receive the kiss of peace. Thank you for your open heart. We love you. Peace, my child, peace." (During this apparition, the birds were singing loudly and clearly and there was a sweet scent of roses).

Thursday, 9:17 pm

For a while now, the image of the Sacred Heart of Jesus has been on my curtain in my bedroom. I told Sister M this when we talked and prayed on the phone. When I walked out to my car to get my purse, I looked at the streetlight at the end of my street and it was a bright red. At first, I was afraid but then I remembered what Sister M told me earlier (about the image on my curtain) and that it was God's Love.

Thursday, 11:31 -11:52 pm

Our Lady spoke to me and said, "Tell my priests to guard the faith. Tell my priests my heart is breaking because my children are not listening. I wish for Perpetual Eucharistic Adoration to be established at *St. Mary's of the Lake Church*. There is not much time before a great chastisement will come over the world. My children must return to Jesus."

About a week ago, Our Lady spoke to me and requested that I get my sketchpad. She wanted a banner to be made. And she promised to instruct me on how she would like it to look.

While having dinner at a local restaurant with my husband last week, I silently told Our Blessed Lord and Our Lady how much I missed them. When I got into my car (we drove separately), Our Lord spoke to me and said, "Mary, do you not know, I am with you always?" On the way home, Our Lady's face appeared in the moon with a beautiful blue veil all around her.

A couple of Saturday's ago, before I got in the shower, a beautiful pure white butterfly was on the shower door. It had gold dots on the edge of its wings and pure white legs, it was so beautiful! I had never seen anything like it. Then I saw Our Lady in the middle of the butterfly with her hands spread out.

Before going to bed, as I prayed before the crucifix, Our Lord spoke to me and said, "I am coming to save you and all of My little children who hunger and thirst for Me. I am the Way, the Truth, and the Life." In His good night

farewell, Our Blessed Lord told me that all of my sins had been washed away in His precious blood.

July 13, 2001  
Friday, 11:45 pm

I went to pray my nightly devotion to Our Lady of Consolation, Our Lady, Queen of Peace. When I began to pray in front of my crucifix I went into ecstasy and Our Blessed Lord spoke to me. Our Blessed Lord told me to heal the sick in His name. My hands went out and were opened; I could feel intense warmth going right through the palms of my hands, a sweet burning love. As I write, I can still feel this tingling, burning love. I also felt as though I received Spiritual Communion. Our Blessed Lord told me to get my holy water. I poured some in the palm of my hand and Our Lord said, "I anoint you in the name of the Father, and of the Son, and of the Holy Spirit." Our Lord also told me that He would give me a message for everyone, next Wednesday evening.

July 14, 2001  
Saturday

At work today, I saw a blue disc completely covering the sun. Two robins were perched on a branch behind the store. I have seen one robin with the most beautiful red breast a couple of times this week. Today, there were two robins and they both seemed unusually beautiful.

I went to confession at *Holy Family Church* tonight, and then I went to the shrine of Our Blessed Mother at *St. Francis Church* in Auburn. On my way home as I was driving to the shrine of Our Lady at *St. Mary's of the Lake*, Our Blessed Mother spoke to me and said that she and Jesus were waiting for me and that I was to be at peace. I prayed the rosary before the shrine of Our Lady. The statue came to life, the birds were singing loudly and beautifully. I experienced ecstasy.

July 15, 2001  
Sunday, 8:00 - 8:23 pm

Jesus said to me, "Tell My beautiful priest, Father Shamon, whom I love so much, that he is close to My Sacred Heart. I am with you always. Father Shamon wears the cloak of sanctity. He is truly My holy priest. He will be your

confessor. I bless you in the name of the Father, and of the Son and of the Holy Spirit. My child, I am your Lord and your God. Be still and be joyful. I am with you always.”

July 16, 2001  
Monday, 10:26 pm

When praying my nightly devotion to Our Lady, I received a message. Our Lady said that I was receiving my holy armor and that she would be my constant protection. As I write, I am burning with the love of the Holy Spirit. Our Lady also said that I would lead her people through the revolution and not to be afraid — the hour is not that far away. While praying in front of my crucifix, I experienced ecstasy. Our Blessed Lord spoke to me and told me He was with me always; and that I was receiving my holy armor. Our Lady also told me that I would receive a holy scepter on her feast day, the feast of the Assumption.

July 18, 2001  
Wednesday, 7:00 pm

I saw a blue disc around the sun all day, whenever I looked at it. I was so warm with the love of the Holy Spirit. We gathered at the shrine of Our Lady around 8:00 pm.

Many friends and relatives were there, and Father Shamon. We began to pray the rosary. Our Lady and Jesus appeared in front of the tree. I went into ecstasy. After my ecstasy, Our Blessed Savior appeared to me. He gave me a message that Our Lady wishes Perpetual Eucharistic Adoration established at *St. Mary's of The Lake Church*. Then Our Lord anointed everyone in the name of the Father, and of the Son and of the Holy Spirit. Then Our Lady said she would grant peace to everyone who comes to this place; peace to their families and protection for their families. Then Our Lady said, “Peace, my children, peace.”

July 20, 2001

Friday

I went to visit with Father Shamon at 4:30. I shared with him all of the beautiful messages and I wrote a copy of one of the messages that Our Lady gave me regarding him.

When I was sharing with Father Shamon, I felt the Holy Spirit's love. On the drive home, Our Lord spoke to me and said I would lead His people out of the darkness into the light, and that He was the Way, the Truth and the Life. Our Lady spoke to me and said Father Shamon would be standing next to me when Our Lady's Immaculate Heart is triumphant.

I went to the shrine at 8:30 pm. When I got there, we began the rosary. Around the third decade, Our Lady appeared, and then Our Blessed Lord appeared. Our Lord was bathed in pure radiant white light. There are no words to describe how beautiful He and His Holy Mother were. Then Father Shamon arrived with two of his friends. We all prayed the rosary. I called Sister M when I got home to tell her about the apparition.

July 21, 2001

Saturday, 11:00 am

I attended Mass this morning at 9:00 am at the chapel at Tyburn Academy. Father Shamon said the Mass. After Mass, he gave me a tour of the school and drove me around the school grounds.

When I got home, I went to a garage sale with my husband because he wanted to buy a dresser that was there earlier in the day. The dresser was gone. On the way back to the store, I drove down a street that I would normally not be on. I noticed a rental sign outside on the porch of a beautiful white house. I knocked on the door and the owner answered. He said he had just put the rental sign out and that an ad in the paper would start next week. He said that it was good that he happened to be home and felt happy to rent it to me. I prayed to Our Blessed Mother hoping this was the place where she wanted me to live. Our Lady spoke to me and told me she would have a sign for me. I asked if I could know what that sign would be and Our Lady said a beautiful blue rose.

10:00 pm

My husband and I went to look at the apartment. I went upstairs to look for a blue rose. I looked in the bedrooms and then, in the last bedroom

upstairs, I saw a pincushion it was of a lady and her skirt had fabric roses all over it, and underneath the pincushion, was a picture of beautiful blue flowers. I believed this was the house Our Lady had chosen for me. My husband liked it a lot. Then I left for the shrine around 8:00 pm. I told my husband I was going there alone and he said he would drive me there. When I arrived, to my surprise, Father Shamon, and three of our friends were already there. We prayed the rosary and Our Lady and Our Blessed Lord Jesus appeared radiant and brilliant as the sun. Our Lady said She was the Mediatrix of all graces. Jesus appeared as Our Risen Lord, Our Crucified Lord, and the Prince of Peace. There are no words to describe this miraculous and privileged event. Our Blessed Lord gazed upon each of the people present. Then He spoke and said Father Shamon is His holy and anointed priest. Our Blessed Lord also said that He was coming to save His children who hunger and thirst for Him. Our Blessed Lord shared with me that He Himself, with our Blessed Mother and a fleet of holy angels and Saint Michael, would defend me in battle. After praying my rosary a little while ago, I held the crucifix in my hand that Sister M gave me. The crucifix was pulsating and beating in my hand.

Also, earlier this afternoon, St. Michael spoke to me and said to tread on angels wings and he would be my fierce and loyal protector, and that he would be with me all night, and not to be afraid.

July 22, 2001  
Sunday, 8:00 am

In the morning after my husband left, I was sitting in the living room. It was a beautiful morning with the sun shining. As I looked at the sun, there was a beautiful blue disc covering it. I told Our Lady that I loved her. There was so much peace throughout the room. Our Blessed Lord spoke to me and told me that He blessed my lips so that I could proclaim His Word, that He blessed my hands so that in His name I could heal the sick and that He blessed my soul so that I would share in His Divinity, and that He blessed my heart where He abides.

I went to the shrine of Our Lady around 8:00 pm and it was so peaceful. I was by myself. I saw the Sacred Heart of Jesus. It was a beautiful magenta red color and was pulsating.

July 23, 2001  
Monday, 10:53 pm

I went to Mass at *St. Alphonsus Church* this morning. When Father Shamon was celebrating Mass, I could see the beautiful red light of the Sacred Heart of Jesus, near His statue and behind Father.

My husband and I went to dinner in Auburn. I was late getting to the shrine. I began to say my rosary and Our Blessed Mother appeared with Jesus. Jesus appeared, as the Risen Christ, magnificent and brilliant in white light, there are no words to express the magnificence and beauty of Our Blessed Lord and Our Blessed Mother. Jesus also appeared as Christ the Teacher.

I called Sister after the apparition and then I drove down and sat by Skaneateles Lake. I said my prayers from the book Sister gave me, '*The Key to the Kingdom.*' Then my husband came to the park and we went home. I prayed to Our Lady and she told me she was with me and I would have a good nights sleep, and I did!

July 24, 2001  
Tuesday, 4:00 pm

I went to 12:15 Mass at *Holy Family Church* in Auburn, it was beautiful. Earlier, Father Shamon called and asked if I was going to the shrine tonight. I told Father I was planning on going around 8:00 pm.

Father came at night with three friends. Our Blessed Lord and Our Blessed Mother appeared shortly after we began to pray the rosary. Our Lord appeared as the Risen Christ. He gazed upon us all. Our Lady was beautiful; there are no words to describe how beautiful she is. Our Lady said she was the Mediatrix of all Graces and that God's grace was poured into our hearts. I went into ecstasy. Our Lady thanked us for coming.

10:47 pm

Afterwards, I went and parked in my car in front of the lake. Our Blessed Lord and Savior spoke to me and said, "I am the Lamb of God, happy are they who are called to My Supper, receive My Body." I received Spiritual Communion. Our Blessed Lord told me He is with me always and that He will never leave me. I called Sister M when I returned home quite late at night and shared with her about the apparitions of Our Lord and Our Lady.

11:52 pm?

Before going to bed that night, Our Blessed Lord and Savior instructed me to write this message. He told me to get my notebook and write this down.

"You are my anointed one, God the Father has called you forth from all of His people down through the ages to lead His people out of exile into My Kingdom, the Kingdom of God. With My rod and My staff, I will lead you. I will be at your side and I will never leave you. My child, I love you. Yours is the Kingdom of God. Bless you My child. What I tell you is as holy as Scripture. My peace is with you. Peace, My child, God's peace My anointed one. God's peace is with you always. While praying to Our Lady, she said, "You are the one that God has called forth. My peace is with you. I wish you to return to Marmora on October 13<sup>th</sup>." Then I went to bed.

July 25, 2001  
Wednesday

Early the next morning, Wednesday, July 25, about 1:00 am, while praying, Our Lady spoke to me and said, "You have a lot of work to do. Stay strong and be brave, I am with you."

July 28, 2001  
Saturday, 10:35 pm

This Saturday evening I am writing about my experience at the shrine of Our Lady, last night. I went to the shrine about 8:00 pm; my husband drove down and stayed about ten minutes. I began to pray the rosary. Our Lady and Jesus visited me. Our Lord appeared as the Risen Christ. He is so beautiful; there are no words to describe Him. Our Lord appears in garments emitting a brilliant white light. He wears a crown of beautiful leaves. Our Lady told me she was there with her Son, Jesus. Our Lord told me, He was Jesus, My Lord and My God. I went into ecstasy. And when I came out of ecstasy, there was a beautiful sprig of leaves on the concrete in front of me. The sprig of leaves was fresh, supple and fragrant. The leaves were as soft as velvet. Our Lord told me that this beautiful sprig of leaves was a token of His peace. I was overwhelmed with joy, wonderment, and gratitude that Our Lord Jesus would bless me with a tangible gift of sweet love and peace. During the apparition, Our Lord said to me, "Receive My Body." I received Spiritual Communion.

July 29, 2001  
Sunday, 8:00 pm

I went to 9:00 am Mass at Tyburn Academy this morning. Father Shamon said Mass. I brought my sprig of leaves with me to show to Father. When I left Mass, I decided to show the sprig of leaves to my friend. When I took them out of the car I noticed that the leaves had crossed over one another from the bottom two thirds of the way up. It appeared to be like a cross.

I went to the shrine tonight around 8:00 pm. While praying the rosary, Our Blessed Lord and Our Lady appeared to me. Our Lord appeared as the Risen Christ, and Our Lady in a beauty no words can describe. I went into ecstasy; I had a sense of peace and a true sense of trust. Our Blessed Lord told me to receive His Body and I experienced Spiritual Communion.

July 29, 2001  
Sunday, 10:37 pm

I just got home about a half hour ago. I had joined Father Shamon and the people that gathered at Our Lady's shrine, at *St. Francis Church* in Auburn. While praying the rosary there, Our Lady appeared to me. There are no words to describe how beautiful she is. Our Lady instructed me to tell her people that had gathered at the shrine that she is the Mother of Consolation and that she has heard all of their intentions and has given them to Jesus. Also, she has showered everyone with her graces and she promised peace and protection to everyone there and their families.

After the apparition, Father introduced me to everyone and he asked if there was anything, I wanted to share. I shared Our Lady's message with everyone. I was surprised that Father told everyone that while praying the rosary, I experienced ecstasy. It was all so new to me but I was happy that I could share Our Lady's message with everyone. And I was so moved that Father gave me his public support.

July 30, 2001  
Monday, 8:00 am

On my way to Mass at *St. Alphonsus Church* Our Lady spoke to me and said, "Tell Father Shamon that I love him. He is truly my holy priest. He is so close and dear to my Immaculate Heart. He will help you. It is the Father's will, written down through the ages. I am with you and I will always protect you.

Jesus is pleased with the work you have done. My peace is with you, I love you.”

11:27 pm

I drove to Our Lady’s Shrine at *St. Francis Church* tonight. Father Shamon called earlier. I told Father I planned on going to the shrine at 7:30 pm; Father said he would try to meet me there. As I was saying the rosary, Our Lady appeared to me. Her statue came to life. Our Lady is so beautiful, beyond the power of words to describe. Our Lady told me that Jesus was with her, and that they both were glad that I was there. Our Lady gave me a message stating that I would lead her people into the Kingdom of God, and that Sister M was my ally and fierce protector. She would be standing next to me also helping to lead her children like another Moses, in an exodus to the Promised Land, the Kingdom of God. Father Shamon, she said, would be right next to me and that he would lead her priests into the Kingdom of God.

Chapter 2  
Fear Not  
(August & September)

August 1, 2001  
Wednesday, 10:30 pm

"Mary, I am Jesus, the Lord your God. You are My child, My little one, and My chosen one. I will be with you always. I, with My Mother, and your Mother, the Virgin Mother of God, will protect you.

"You have been called forth by My Father to lead all nations into the Promised Land, My Father's Kingdom, the Kingdom of God. My peace is with you Mary. I will lead you with My rod and My staff. I go before you, and you wear the yoke of honor. You will lead all mankind back to Me by way of the Father, through the heart of My Mother.

"Father Shamon, My holy priest, My anointed one, will lead My people into the Holy Land, the Kingdom of God. Father Shamon will always be at your side, along with Sister M, to lead My people back to me. This has been written down throughout the ages. Truly, what I tell you is sacred. Honor this as I honor all of you.

"My Peace is with you, Mary, forever. I will never leave you. Peace, My little one, peace. Mary, I love you."

August 2, 2001  
Thursday, 12:57 am

While praying in front of my crucifix before going to bed, Our Blessed Lord spoke to me and told me I am His little soldier and in His name I will have great power. Then our Lord, my Savior said, " I anoint you in the name of the Father, and of the Son, and of the Holy Spirit."

Later that day, I went to dinner with Father Shamon, and two of our friends. Afterwards, Father and I both saw the sun pulsating while we were sitting in the park. It was so beautiful. Everyday when the sun is out I see a blue disc covering the sun and every evening when the moon is out, I see Our Blessed Mother's face in the moon with her beautiful blue veil.

August 3, 2001  
Friday, 12:15 pm

Father Shamon called and shared with me that Father M. had called him and said he thought good things about me and said that he had called the Pastoral Office. Father Shamon told Father M. that he found nothing amiss and that everything has been in keeping with Holy Mother Church. I thank God for Father Shamon and Sister M.

I went to *Holy Family Church* this afternoon at 12:15, to attend Mass. There was no Mass so I decided to pray the rosary in front of the shrine of Our Lady. Our Blessed Mother and Jesus appeared to me. (Jesus came as the Prince of Peace.) Our Lord called me His pearl.

We prayed the rosary tonight at a friend's house. There, I went into ecstasy. Our Blessed Lord spoke to me and told me that we were His little lambs and that His peace is with us. Jesus called Father Shamon His holy priest, His anointed one, and His chosen one. He said Father Shamon wears the cloak of sanctity.

Saturday, 11:17 pm

While I was at home, quite late at night, working, our Lord told me He had been waiting for me. I was excited and ran to pray in front of my crucifix. I heard my Lord Jesus, my sweet Lord, my Savior, and I felt His sweet embrace (which no words can describe).

Our Lord said, " I am Jesus, your Lord and your God. Mary, I love you. You are My little one, you will lead My people out of the darkness into the light, into My Kingdom, the Kingdom of God. I will lead you, do not be afraid, I will protect you; no harm will come to you. Mary, you are in My heart and I am in yours. I love you Mary. I anoint you in the name of the Father and of the Son, and of the Holy Spirit."

Monday, 10:30 - 10:40 pm

"Mary, My child, I am Jesus, your Lord and your God. My child, I love you. Thank you for being open to My call. Little one, I bless you. Little one, I anoint you. You are My precious pearl, My anointed one. Truly, I tell you, you

have been called forth by My Father to lead My people out of the darkness into the light. I go before you always, do not be afraid. I lead you with My rod and My staff over the mountains and through the seas into the Promised Land, My Kingdom, the Kingdom of God.

"I will protect you and lead you. Do not be afraid, no harm will come to you. Father Shamon, My holy and anointed priest, along with Sister M, will lead My flock, My chosen ones, into the Promised Land, My Kingdom, the Kingdom of God, the Kingdom of the Most High, the Kingdom of Almighty God. You are My sheep, My little ones for whom I have shed My blood. I am your salvation. Be true to My word. I will never leave you, my little one, so do not worry. I am with you. You are My anointed one, My little precious pearl."

"By My cross, I have redeemed the world. My peace is with you, little one, forever. Peace, little one, My peace. It is a holy scepter that you will receive on My Mother's feast day, the Feast of the Assumption. I love you Mary. Peace, My peace is with you, little one."

August 15, 2001  
Wednesday

Today is the beautiful feast day of the Assumption. While praying my nightly devotion, our Blessed Lord spoke to me and said, "I am Jesus the Lord your God. Do not be afraid, little one, I am with you, and you are My little pearl. God is pleased with your work. Do not worry about anything for no harm will come to you. You are My little pearl. You have been called forth to lead My people out of the darkness into the light, into My Kingdom, the Kingdom of God. I go before you and I will lead you with My rod and My staff. Father Shamon will stand by your side, along with Sister M, leading My flock. I am with you, little one; you will have a good night's sleep. My peace is with you and I anoint you in the name of the Father, and of the Son and of the Holy Spirit."

Friday

Around 5:30 pm, I was alone at my store sitting in the back room. Our Blessed Mother spoke to me and told me that she was blessing me with special graces and then Our Blessed Lord spoke to me and told me that He walks with me and I walk with Him.

August 18, 2001  
Saturday Morning

"I am Jesus, your Lord and God. You are My little flower that God had called forth to spread His messages throughout the nations, to spread My messages of love and peace. Almighty God the Father said, 'Go forth in love and peace' I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Saturday Evening

"I am Jesus your Lord and God. Mary, you are My little one. My little soldier and My little lamb. In My name, you will have great powers. I am your font of mercy. I have shed My blood for you and for all mankind. In your weakness, I am your strength. I have placed a stamp on your heart of zeal, the trust and love of God. I am with you always; you belong to Me, forever. I anoint you in the name of the Father and of the Son and of the Holy Spirit."

August 19, 2001  
Sunday, 9:34 am

"Little one, I am your Mother, the Mother of God. Ask Father Shamon to call Father M. to arrange a meeting so that he can be aware of what is going on and ratify it. You have my protection and Jesus will continue to open the doors. I am with you, little one; and my peace is with you. Father Shamon is my anointed one, my anointed Priest. Peace, little one. My peace and protection are with you and my dear Father Shamon."

Wednesday

Today, I was blessed with the smell of roses outside my front door and in the house. I received a message from Our Blessed Mother while I was praying the rosary by Hoopes Park in Auburn.

Our Lady comforted me and told me that everyone's calling is different. I was feeling nervous about tonight.

There were over one thousand people at the shrine tonight. Father Shamon and I made our way through the crowd. We began the rosary right away. Our Lady appeared shortly after. At first, I felt so nervous and distracted

by the crowd; but Our Lady blessed me with her peace right away. Jesus, my Blessed Lord, appeared as the Risen Christ. Our Lady gave us a beautiful message.

Afterward, a friend and her mother told me they smelled the scent of roses, and two women saw a rainbow in the sky, and a young woman from Camillus, said her rosary had turned gold. Another woman gave me a rosary from her family. It was a beautiful, peaceful and reverent evening of prayer, song and praise to Our Blessed Mother.

August 23, 2001  
Thursday

I was praying my morning prayers in front of my crucifix, when I experienced ecstasy.

God the Father spoke to me and said, "I am The God of Abraham and Elisha. In My house, there are many dwelling places. I have called you forth to spread My Son's message of love to all nations. Go forth in love and peace."

August 23, 2001  
Friday evening

I had a strong desire to go to the grotto. I was by myself and as I was praying the rosary, I had a beautiful apparition of Our Lady. During the apparition, I suddenly saw a priest. He was dressed in a long black robe overlaid with a lace shirt to his knees, the way the priests used to dress.

I asked Our Blessed Mother who he was; Our Lady told me it was her beloved priest Father Marianus Nowakowski — the priest that built her shrine. I saw him twice during the apparition. When I returned home, I called Father Shamon right away to tell him what I had experienced during the apparition. It was so beautiful and so special; I feel inadequate as I write this because there are no words to describe how I feel.

August 25, 2001  
Saturday

Around 9:00 p.m., I received another message from Our Lady after praying the rosary. I was sitting in my car looking at Our Lady's image in the moon, Our Lady's face, with her blue veil. Our Lady spoke to me about her

messages at the shrine. She said that it is her wish that I write them down and distribute them.

August 29, 2001  
Wednesday

While praying in front of my crucifix, Our Blessed Lord spoke to me and said, "Little one, I am Jesus, your Lord and God. Do not be afraid, I am with you. I go before you and I walk beside you. God is pleased with your work. My beloved Father Shamon will guide you and My flock. By his merits, many graces will be obtained. Go in peace. I anoint you in the name of the Father, and of the Son and of the Holy Spirit."

Earlier, Our Lady spoke to me and said, "Little one, I love you, do not be afraid. No harm will come to you. Receive the kiss of peace."

August 31, 2001  
Friday

Today we did a lot of moving to our new home. I am so overtired that I am experiencing doubt. I called Sister M and she reassured me that I would experience doubt from time to time.

September 2, 2001  
Sunday, 11:24 am

I just put my crucifix on the wall in our new house. I could not wait to do it. Now I feel I can start putting my house together, unpacking boxes and getting settled. I could not wait to say my morning prayers before my crucifix. Kneeling before my sweet Lord and Savior, I could not wait to feel my Lord's sweet embrace. Our Blessed Lord and Savior Jesus, gave me the following message, "Mary, I am Jesus, your Lord and God. I am always with you, little one. You have been called forth to lead My people out of the darkness into the light. I am fortifying and strengthening you. Receive My spirit and receive My knowledge. I bless you and I anoint you. I love you, My little pearl. I am the font of mercy; swim in My mercy. I go before you and I walk beside you. Do not be afraid. I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Thursday

Our Blessed Lord spoke to me at home. He said, "Little one, I am Jesus, your Lord and God. I have placed a seal of integrity and faith on your heart of love. Listen to My beloved Father Shamon, I will speak through him and he will guide you. I go before him. I am the Resurrection, the Way, the Truth and the Life. Many graces and miracles will be obtained through your works. You are My little one, My precious one, and My pearl. I, Myself, will protect you, along with My Immaculate Mother and St. Michael. No harm will come to you. Do not be afraid, I am always with you and will never leave you. You are My precious gem, little one. I love you, Mary. My peace is with you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Later, this same morning, I was sitting in the living room at our new home. Suddenly, the sun shone brightly in the tree line outside of my window facing the lake. I knew right away it was an apparition and I fell to my knees and began to pray. I saw the Sacred Hearts of Jesus and Mary pulsating; and then a beautiful red, blue, and gold light came right through my living room window and engulfed me. I went into ecstasy and experienced such peace. I did not hear any message.

In the evening I picked up Father Shamon at 7:30 pm and we went to a friend's home. Father consecrated the home to the Sacred Heart of Jesus. It was so beautiful. Other friends joined us there and I shared my beautiful sprig of leaves that Jesus gave me with everyone.

When I returned home, I called Sister M and she shared with me that a woman who has cancer throughout her whole body attended the apparition at the grotto on Wednesday. She heard Our Lord speak to her. He said, "Listen to my Mother, she is being sent by the Father." At that moment the woman felt a chill go right through her body.

Wednesday morning

This morning I went to my friends' home to pray the rosary. When I got there, another friend met me at the door and told me the news of the terrorist attack on the World Trade Center in New York. We watched television for about fifteen minutes and then prayed the rosary.

While praying the rosary, Our Blessed Mother and Jesus, my Savior, appeared to me. Our Lady gave me a message "Call my children to prayer. No

harm will come to you. My peace is with you." My friend also received a message that we are to take refuge in the Sacred Hearts of Jesus and Mary.

When I returned home, Our Lady spoke to me and said, "My heart is wounded by the atrocities caused to my children. Pray, pray for peace my little one, I am with you."

Father Shamon called and I shared the message with him. Father told me that there would be Mass at 5:15 pm at *St. Alphonsus Church*, and the rosary afterward. Before leaving for Mass around 4:45 pm, I had an apparition outside of my living room window. I saw in the sun the Hearts of Jesus and Mary pulsating. The colors of red, blue, and gold light grew larger and came closer. Then Our Lord appeared. This is the first time I experienced seeing Our Lord after the Hearts of Jesus and Mary had appeared to me. I saw Our Lord's silhouette.

After receiving communion during Mass, My Lord and Savior Jesus, spoke to me about leading His people out of the darkness into the light and that I had been called forth by the Father to lead His people into the Kingdom of God. Father Shamon would lead the priests into the Holy Land, Our Lord's Kingdom, the Kingdom of God. After Mass, Father Shamon and I, along with a friend, went for dinner and then to Tyburn Academy for Father's prayer group. There, around 7:00 pm, we prayed the rosary in the chapel. I received a message from Our Lady. Our Lady was there as Our Mother of Mercy, Consolation, and Peace, and she said that she was with us. I called My dear friends on my way home. I also called Sister M and Father Shamon and asked them if they remembered my telling them a couple of months ago, of my vision of the New York City skyline. They remembered that I had told them.

September 15, 2001  
Early Saturday morning

"Little one, I am Jesus, the Lord your God. I am the font of mercy. Believe in My mercy for all of My little ones, all of My children. I come to you, Mary because of your innocence of heart. I have blessed you, My little one, with My infinite mercy and love. You come to the Father by way of Me. Behold little one, My Mother, My Immaculate Mother, your Mother. She is the seat of wisdom, purity and love. By her grace, your works will have merit. The fruit of your works will blossom.

"My beloved Father Shamon is My gift to you. He will lead you. I will speak through him to guide you. Always listen to My call. I am with you. I will not leave you. You are Mine and I am yours. I love you, Mary. You are My little one, My little lamb, My precious gem, and My pearl. You have been called forth

by My Father to lead My people out of the darkness into the light, into My Kingdom, the Kingdom of God. Father Shamon, will lead My priests into the Holy Land, My Father's Kingdom, the Kingdom of God, and My Kingdom. My peace is with you; go forth to lead My people.

"In my name, you will have great power. Have faith; be steadfast in your quest for Me. Sister M is My holy one, My chosen one. She will shepherd My flock along with you. Great things will be accomplished for My glory, all with Me and through Me, for My name's sake, for My glory.

"I bless you little one, I anoint you in the name of the Father and of the Son and of the Holy Spirit. Bless you little one. My peace is always with you."

As I wrote this message, my hand was guided. I wrote swiftly and deliberately as my sweet Lord and Savior, Jesus, dictated this message. Our Lord told me, He wished me to write.

September 19, 2001

Wednesday, 9:31 - 9:42 pm

Our Blessed Lord gave Me this instruction: "Little one, I am Jesus, the Lord your God. Little one, I anoint you in the name of the Father, and of the Son, and of the Holy Spirit. You are My chosen one, My little pearl, and My gem. My most Sacred Heart has been pierced by the sins of My children. I gave My life for all of you, that you would be freed from your sins and you would gain eternal glory with Me.

"My little one, I am coming to save all of My little lambs that hunger and thirst for Me. I am the Way, the Truth, and the Life. By My holy cross, I have redeemed the world. My Father has called you forth; as is written in the law down through the ages. You are My anointed one. Father Shamon, My precious Father Shamon, My truly holy and anointed priest, has been chosen by the Father to lead My priests into My Kingdom, The Kingdom of God. By his merits, they shall know My mercy. Do not be afraid, I will never leave you. I Myself will protect you along with My Mother.

"Sister M wears the cloak of peace. She will be My instrument in leading and gathering My flock, along with you. I will never leave you and My peace is always with you. My Mother, the Seat of all Wisdom, is with you all. Do not be afraid, I go before you, and I walk beside you. You are My chosen ones. Have faith, and be strong. My blessing is with you My little lamb. I love you, receive My Body. Bless you My lamb, and receive My anointing. I anoint you in the name of the Father and of the Son and of the Holy Spirit."

September 20, 2001  
Thursday, 12:15 am

"Little one, I am Jesus; you are My little one, My dove. I am pouring My graces into your heart. You are My dove, My gem, and My soldier. I love you, Mary. I anoint you in the name of the Father and of the Son and of the Holy Spirit."

September 26, 2001  
Wednesday, 11:40 am

"Little one, I love you, thank you for your faithfulness. I am anointing your forehead with holy oil. I am blessing your lips to proclaim My word. I am infusing your heart with My love. All is through Me and for Me. Spread My message of love and mercy to all who ask you. Do not be afraid, I am always with you. Everything I have told you is true. Do not doubt, you will not be misled. I will protect you Myself, everything is for My glory. Little one, you have been called forth by My Father to lead My people out of the darkness into the light. Father Shamon will always help you along with Sister M — My anointed ones, My chosen ones. Believe in My love, for I am and will always be the Way and the Truth and the Life.

"Father Shamon is My chosen priest. He has very special work to do. He has been called forth by My Father to lead My priests out of exile, into the Promised Land, into My Kingdom, the Kingdom of God, the Kingdom of the Most High. My peace and protection are with all of you. This is as sacred as Scripture. I bless you Mary and I anoint you, My precious pearl, My gem. I abide in you and you abide in Me, forever. Receive My blessing of peace. I anoint you in the name of the Father and of the Son and of the Holy Spirit."

September 27, 2001  
Thursday, 11:50 pm

While praying my nightly prayers, our Blessed Mother spoke to me after ecstasy and said, "Little one, I am the Mother of the Most High, Jesus Christ. God the Father has showered great favor on you. God is pleased with your work. I will bless your work. Pray for the world, for peace. Gather my faithful and ask them to pray for peace. Through my intercession, many things will be averted, but you must pray. Pray without ceasing."

Our Blessed Lady spoke further: "Mary, I wish you to continue to write. I will dictate to you, my little one. Share my messages with my faithful, it is important. God the Father's patience has grown thin. His justice will prevail. My Son, Jesus, has shed His most Precious and Divine blood for all of my children, yet still so many do not listen. They have turned their backs from God, through their arrogance and indifference. They are lost, very lost; pray for them before it is too late. I wish for all of my children to return to Jesus before it is too late. The hour is not that far away before the just hand of the Father will come over the world. For so many, it will be too late, but for my faithful little ones, the Kingdom of God is at hand. I wish for all of my children to enter the Kingdom of God and to live with me in paradise. Little one, a great responsibility has been given to you but through God's grace, you will endure and be strong and faithful.

"I am with you always. I will never leave you. And I will crush all evil forces against you. Believe in my Son Jesus' infinite love and mercy for all of my children. The day is near when my Immaculate Heart will be triumphant. Little one, thank you for your openness and your faithfulness, your reward is great in Heaven. Little one, I bless you and I anoint you with my peace. Mary, I love you. Peace little one, peace."

September 28, 2001  
Friday, 11:59 pm - 12:10 am

"Little one, I am Jesus, your Lord and your God. Little one, you have found great favor with God because of your littleness and fidelity. I have placed a seal on your heart of compassion and love of God. I anoint you My chosen one, My pearl, and My little gem. In My name, you will have great power to exorcise demons and heal the sick. The lowliest of the low will be exalted and the exalted will be made lowly. Believe in My infinite mercy and love for all My creatures. Behold, I am the Light of the world, the beacon of truth, forever. Any one of My creatures that exalts My name by the way of the Father shall know Me. I am and will always be the Way and the Truth and the Life. Much will be asked of you little one; but by My grace you will be granted fortitude and wisdom. No harm will ever come to you. You are My chosen one. My little and holy one. I will always go before you. I will lead the way. And by your merits great graces will be obtained.

"Have faith in My mercy and pardon for all of My children. Father Shamon, My truly holy and anointed priest, will always guide you, along with Sister M. They are My chosen ones, My holy ones. Father Shamon wears the cloak of sanctity; I will always speak through him. He is My truly holy priest.

"My child, Mary, I love you. I bless you and anoint you with My peace, always. I love you little one, My peace is with you, receive My anointing. I bless you and anoint you in the name of the Father and of the Son and of the Holy Spirit."

"Little one, I am Jesus, your Lord and your God. I am pleased with your work; so do not worry about anything. My child, you will not be misled, put your doubts aside, I am with you along with My Mother, your mother, My Immaculate Virgin Mother.

"Little one, when people criticize you, rejoice your reward is great in Heaven. Little one, you have a great job to do, you will persevere. I have entrusted you to Father Shamon, My holy and anointed priest. He will always guide you; you both wear the cloak of humility. By your littleness, I will make you strong; believe in My infinite mercy and love. Little one, I bless you with my love and fidelity. Through your work, and for My glory, many conversions and miracles will take place. This is My promise. My Immaculate Mother is always with you and leading you. Have faith, little one. No harm will come to you. I will protect you Myself along with My Mother and Saint Michael. Saint Michael is your fierce and loyal protector. I know sometimes, this is hard for you, in your little humanness, but you are doing a good job. My Father in Heaven is pleased with your work. It is all for My glory and the triumph of My most glorious Mother's Immaculate and pure heart.

"Little one, we are with you. I have also entrusted you to Sister M, she will always guide you. Remember, little one, you have been called forth by My Father to lead My people out of the darkness into the light, along with Father Shamon and Sister M. Have faith, do not worry, I am with you and I will never leave you. I love you Mary, forever. You are My precious pearl, My little gem. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

October 3, 2001  
Wednesday, 10:36 am

After praying my morning prayers Our Lady spoke to me and said, "Little one, I am your mother, the Holy Mother of God. Little one, Jesus is pleased with your work. We will be there every Wednesday. We will both be there. Receive the kiss of peace. I am anointing your forehead with holy oil and I am blessing you with my peace."

Our Lord's message to me followed shortly after.

"Little one, I am Jesus, your Lord and your God. I am always in your midst. Do not be afraid. Your fleet of holy angels will always protect you and guide you, along with My most chaste Mother. Do not be afraid, no harm will come to you; this is My promise, go forth now to do My Father's work. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Wednesday, 11:38 - 11:52 pm

"Mary, I am Jesus, the Lord your God. You have found great favor with Me, little one. I am pleased with your work. Through your merits, many graces will be obtained. Little one, do not be afraid, no harm will ever come to you. Have faith, and be brave. I go before you always, I walk beside you and I abide in you and you abide in Me forever. Peace, My little dove, My peace is always with you. You are My little gem, My precious pearl.

"My holy and Immaculate Mother is so pleased with all of her children who have gathered to pray the rosary from their hearts. She is blessing them all with her peace. Many miracles and conversions are taking place. Believe as if you have seen. My grace and peace are with you and all My children. The day is not that far away when My Father's just hand will come over the world. We wish to prepare all of Our children for that time to come, for chastisements such as famine and other unspeakable things. However, prayer can avoid many, many of these things, but you must pray little one, pray for all of My children, especially My lost sheep. Shepherd My flock, bring them back to Me through the heart of My Immaculate Mother.

"Remember, little one, a great grace has been bestowed on you. My Father has called you forth to lead My people out of the darkness into the light. Father Shamon, My truly holy and anointed priest, will lead My priests out of the darkness into the light, into My Kingdom, the Kingdom of God, the Kingdom of the Most High. You and Sister M will shepherd My flock, leading them back to Me through the heart of My most Immaculate and chaste Mother. Little one, do not be afraid, no harm will come to you or My little faithful ones. I will defend you Myself, along with My Mother and St. Michael. St. Michael is your fierce and loyal protector.

"Little one, thank you for your openness and faithfulness. You are so very special in My eyes. My peace and blessing are with you, Mary. Receive My anointing; I anoint you in the name of the Father and of the Son and of the Holy Spirit."

October 5, 2001  
Friday, 10:26 am

After morning prayers I received this message from Our Blessed Lord:

"Little one, I am Jesus, your Lord and your God. Do not be afraid. My Immaculate Mother and I are pleased with your work. My peace is always with you, go forth now in My peace to do My Father's work. I love you Mary. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Friday, 11:15 - 11:25 pm

In the evening my Lord and Savior Jesus Christ dictated this message:  
"Do not worry about anything. I am taking care of everything, along with My holy and Immaculate Mother.

"When people ask you what they are going to do when the weather gets cold, I am pleased with your answer, namely, that Our Lady would take care of it. My people, My faithful little ones, will continue to gather to pray the rosary. My holy and Immaculate Mother will give them great graces. If only they knew how loved they are by Me and by My Mother, they would cry for joy. My Father in Heaven has made all of this possible. I have given you, little one, great graces. I am your Lord and your God. I am the Light of the world. I bless you now, little one, with My peace. Mary, I love you and I anoint you with the kiss of pardon and peace. Receive My blessing and anointing in the name of the Father and of the Son and of the Holy Spirit."

October 9, 2001  
Tuesday, 12:12 - 12:23 am

"Little one, I am Jesus, the Lord your God. I have poured out great graces upon you. I am the font of mercy. My precious blood and water flows and gushes forth from My precious wounds to cleanse all of My children, and to wash away all of their iniquities. To you I have given a great grace that you will always know My infinite mercy and pardon. You are so very precious in My sight. I love you Mary.

"You have been called forth by My Father to lead My people out of the darkness into the light, along with My beloved Father Shamon. He is My truly anointed priest. Many graces and blessings have been poured forth on My precious Father Shamon, he wears the cloak of sanctity and from his merits, many graces will be received. He too has been called forth by My Father to lead

My priests out of exile into the Promised Land, into My Kingdom, the Kingdom of the Most High. My Father's Kingdom will be established on earth— a land, I tell you, where milk and honey will flow. My children will experience the fruits of My Kingdom; and love and peace will reign. My holy and Immaculate Mother will reign with the Most High where My angels and seraphim sing constant songs of praise— songs of such beauty you could never imagine.

"Little one, this is My promise. My peace and protection are with you and My chosen ones. No harm will ever come to you and to them. I will lead you Myself with My rod and My staff. I always go before you, leading you always. Have trust and faith. Mary, I love you, you are My precious pearl, My little gem and My little soldier. I bless you and anoint you in the name of the Father and of the Son and of the Holy Spirit."

October 10, 2001

Wednesday, 11:51 pm - 12:00 am

This evening before I went to bed, Our Lady said to me: "Little one, I am your Mother, the Holy Mother of God. I am so pleased with the work you are doing for my Jesus. I am always with you and I will never leave you. Put all of your fears aside, you will not be misled. I am showering you with my graces. You are my precious little one; I will always guide you, along with my Jesus, your Lord and your God.

"Little one, the hour is not that far away when God the Fathers just hand will come over the world. My faithful little ones will have nothing to fear, but you must pray for my children who have strayed, that they will return to Jesus through my holy and Immaculate Heart, and before it will be too late for them to amend their lives. The evil one is wreaking havoc in the world, but he will lose all his power. I will crush his head. My hour is approaching when my Immaculate Heart will be triumphant.

"My beloved Father Shamon will be standing at your side when this occurs. Along with my precious Sister M. My Jesus has placed you under their care. Do not be afraid, no harm will come to any of you; you are all under the mantle of my protection. I will never leave you, be joyful and confident. I love you. Peace, my little one, peace."

Wednesday, 12:02 - 12:05 am

After Our Lady's message, Our Lord said to me: "Mary, I am your Jesus, your Lord and your God. I am so pleased with your work. I know this is hard

for you at times in your little humanness, but have faith. I am always with you. I go before you, and I walk beside you always. My peace and protection are with you always. I love you, little one, My pearl, and My precious gem. Receive My blessing. I anoint you in the name of the Father and of the Son and of the Holy Spirit.”

Tuesday, 11:37 - 11:46 pm

Before going to bed, Our Lady said to me: “Little one, I am your Mother, the Holy Mother of God. I wish you to write. You are my precious pearl, my little gem.

“Mary, gather my faithful, share my messages with them that they too may know my great love for my children. I wish for all of my children to return to my Jesus. The day is not that far away when the Father’s just hand will come over the world. I ask my children, my little faithful ones, to pray for My other children who have strayed that they will return to Jesus through my holy and Immaculate Heart. This is a time of tribulation, but also of great graces. I am showering my children with great graces to turn away from sin. I am inviting them to pray, to return to the sacraments, to do penance, to deny themselves little things that they like. If only they knew, how much my Jesus and I love them. The time has come for my children to turn away from things of this world, to return to my Jesus.

“Mary, you are my dear little one. I love you so very much. God is pleased with the work you are doing. My beloved Son has blessed you with a great grace. Little one, thank you for your faithful and open heart. I bless you my little one, with my peace. Peace my little dove, peace.”

Thursday, 10:37 am

This morning Our Lord dictated this message: “Little one, it is I, Jesus, your Lord and your God. I love you Mary, you are doing a good job. My Father is pleased with your work. I, and My precious, holy and Immaculate Mother are pleased with your work. It was My Mother’s wish that you gather at the shrine on the third Wednesday of each month (up to this time, we had been gathering at the shrine every Wednesday). I love you Mary, do not be afraid. I am with you always. Go forth in My peace. I bless you and anoint you in the name of the Father and of the Son and of the Holy Spirit.”

"It is I, Jesus, your Lord and your God. Do not be afraid. I am always with you. You are My dove. Mary, I wish to dictate this message to you, My little lamb, My dove, and My precious pearl.

" Little one, I will never leave you. Do not be afraid of being misled. I go before you always. I walk with you; you are My little messenger of love. I will work with all My faithful little ones through you. My Father has given a great grace to you, Mary because of your innocence of heart and your desire to love Me. This is a time of great grace for all of My little ones. All they have to do is come to Me. I am their font of mercy. I love all of My children so very much.

"Pray to My Mother. Stay close to her holy and Immaculate Heart. Through her, you will find Me. I am always here, welcoming My little ones to draw from My mercy. Granting graces to all of My children who desire me. By My holy cross, I have set them free, so that one day they can live with Me in Paradise — in My Kingdom, the Kingdom of God, the Kingdom of the Most High. Little one, invite all to know Me. To stay close to Me. I am the salvation of the world and My desire is to love all of My children.

"You, little one, I bless with great graces. Mary, thank you for your open and faithful heart. You are My precious pearl, My gem. Go forth in My peace. I love you, Mary. Receive My anointing and My blessing. I anoint you in the name of the Father and of the Son and of the Holy Spirit."

November 4, 2001  
Sunday, 11:08 -11: 23 am

"Little one, it is I, Jesus, your Lord and your God. Mary, do not worry about things. Have I not always provided for you, little one? Do not doubt. I am always with you. I am your salvation. I am the light of the world. A great responsibility has been given to you, little one, but you will always be given the strength to accomplish My Father's Will.

Thursday, 10:06 am

"Little one, it is I, Jesus, your Lord and your God." At times doubts did arise in my heart as to how could it be that one like me could be the recipient of such blessings. So Jesus continued: "Mary, do not doubt. I am with you always. It is My Father's will that you have been called forth to lead My children out of the darkness into the light. Have faith. I am with you always. I will never leave you. You are My chosen one, My little lamb, My precious gem and My pearl. Little one, go forth now in My peace to love and serve Me. "Mary, little one, it is I, Jesus, your Lord and your God, and your Savior. Little one, I am coming to save all of My children who hunger and thirst for Me. I am and will always be the Way, and the Truth and the Life. By My holy cross, I have redeemed the world.

"To you little one, a great responsibility has been given, but you will always endure and stay faithful to My call. The hour is not that far away when

My Father's just hand will come over the world. For many it will be too late, but for you little one, and My faithful little ones, rejoice and be glad for you shall all experience My fruits and will know the great love I have for all of My children. The day is at hand when My Mother's glorious and Immaculate Heart will be triumphant. All of the angels and Seraphim will sing songs of great praise. I will be ushered onto the earth, the land of My birth, along with all of the hierarchy of Heaven. They will go before Me. It will be a day of utter astonishment, nothing, the like of which, any man has ever seen on earth.

"Stay faithful, little one. Never be afraid. No harm will ever come to you or any of My faithful ones. I have sheltered you under the care of My faithful and beloved Father Shamon. He is My truly holy and anointed priest. God the Father has showered great favor on him. My beloved Sister M will also shelter you from any harm; listen to My beloved Father Shamon and Sister M. "Mary, little one, it is I, Jesus — your Lord and your God. I am here in your midst. I am calling you to grace. I am washing you in the sea of My mercy. I am washing you in My most precious blood. I am your font of mercy. Drink the water of life. You are My chosen one.

"Much will be asked of you, little one. By My grace, you will always endure and will always be faithful to My call. God the Father is pleased with the work you are doing, helping Me and My glorious and Immaculate Virgin Mother, to draw souls to Me.

"Little one, your reward will be great in Heaven. I am your Jesus; you are My little beloved one. Your love for Me pleases Me and comforts Me. Do not worry about anything. Remember that I have entrusted you to My devoted and beloved Father Shamon. Truly, I tell you, he is My holy and devoted priest. He is so very special in My eyes. I bless him always. Listen to My Father Shamon. I will speak through him and will always guide you. Little one, trust in My love for you and all of My faithful little ones. If only you knew, how much I love you. I gave My very life so that all of My children would have life. However, so many still do not listen, they laugh and scoff at holy things. They are blinded by their indifference and arrogance. You, My little one, are a consoling balm to My precious wounds, as are all of my faithful ones who place their trust in Me. Their love gives Me comfort. Little one, pray for My lost sheep, My lost children. I wish for all of my children to return to Me. The hour is not that far away when My Father's just hand will come over the world. Friday, 12:06 - 12:22 am

“Mary, My precious child. I am your Jesus, your Lord and your God. Do not ever be afraid. I will never let any harm come to you, you are My chosen one. Believe Me when I tell you this, for it is My Father’s will and My words are holy, like scripture. For I am God, the Creator of the universe, the Creator of all. I am the beginning and the end, the Alpha and the Omega. For I so loved all of My children, I gave My very life for all so that they may live. I am calling all of My sons and daughters to Me. At this time of great chaos, I will send all of My angels and seraphim before Me. I will be accompanied by My holy and glorious Mother. My angels and seraphim will sing great songs of praise along with all of My elect, when My Mother’s heart is triumphant. I have placed all of My children under the protection of My Mother. No harm will come to any of My children who are under the care and watchful gaze of My Mother. She is the Immaculate Conception, the Seat of all Wisdom. Give glory and honor to My Mother, always. It is through her holy and Immaculate Heart and intercession that My children will be saved from their folly and peril.

“Give glory and thanks always, My precious one, My dove, My pearl. You have been chosen by My Father to lead My people out of the darkness into the light, out of exile into the Promised Land — into My Kingdom, the Kingdom of the Most High, the Kingdom of God. For many, it will be too late, but for you, little one, and My precious little ones, rejoice and be glad for yours is the Kingdom of Heaven. December 24, 2001  
Monday, 11:21 - 11:31 pm

"My precious child, I am Jesus, your Lord and your God. I come to you in your littleness, in your weakness, as I came to the world as a little infant. Be at peace, My dove, and continue to write, for this message is from Me, your Jesus. I am the Messiah, the Light of the World. Through Me and the intercession of My glorious and Immaculate Mother, all things are possible. This night, pray for My children who do not know what it is like to have shelter or food to nourish their bodies. Pray that My children who live in Me will do random acts of kindness and charity to My children in need. For I work through My people for the good of My children, for the good of all.

"Be at peace, My dove. Continue to bring Me your gifts of love. Your love warms My heart and gives Me great comfort. You, Mary, are My precious pearl, My dove. Listen to Me in your heart for I am always with you. Let the intentions in your heart rise up to Me, where I greet them with great love and anticipation. Be kind to everyone you meet. In My name spread My messages of love to all of My children. My messages of love will touch their hearts and bring many of My fold back to Me. I am the Good Shepherd, the light that pierces the darkness. My faithful children will hear My voice and will respond with love.

"You, My little one, have stepped out in faith on the mission that My Father has called you to. You are My faithful little one and I am always with you along with My glorious and Immaculate Mother, and St. Michael and your guardian angel, St. Raphael, along with My fleet of holy angels that I have assigned to stand guard over you. I know this is all a great mystery to you, My dove, but be at peace, for I am always with you. You will always be given the grace and strength to endure any trial. You are My little one, My faithful one, and My dove. I have placed a seal on your heart, of love, zeal and fidelity. I am so pleased by your love of Me and your work.

"Continue to listen to My beloved ones. Father Shamon, My truly holy and anointed priest. He who is so faithful to My Mother. If only he knew what joy he gives My Mother by his faithful service and love of Me and My Mother. Truly, I tell you, the Kingdom of Heaven is his. And My beloved Sister M, she too wears the cloak of sanctity.

"My child, My dove, on this Christmas Eve, I am giving you great blessings and graces. Receive all of them with My love and fidelity of you. You are truly My gem, My pearl. Live the beatitudes; give witness to Me in all that you do. For I love you with a great love. Be at peace now, My dove. Rest in My Spirit, rest in My arms. I bless you and I anoint you with My special graces, in the name of the Father and of the Son and of the Holy Spirit."

December 28, 2001  
Friday, 9:28 - 9:39 pm

"Mary, It is I, Jesus, your Lord and your God. I wish you to write, My little dove. Receive My message of love. You are My anointed one, My precious child. Through Me, all things are possible, let not your heart be troubled by the indifference you face, for I am always with you, My dove, and My pearl.

"Forget all your cares in the ocean of My love and mercy. Truly I tell you, through My mercy all is forgiven and forgotten. I gave My very life so that this may be fulfilled. I have washed away the sin of the world with My precious blood. To you, My little one, a great responsibility has been given; and, through My grace, all in My Father's Holy Will, will be accomplished. Continue to walk in faith for you are never alone. I go before you always. Mary, you are accompanied by My holy and glorious Mother. I have entrusted you and all of My children to My Mother. St. Michael, your guardian angel, St. Raphael and the fleet of holy angels that I have assigned to you are always with you. Fear not. Tread on angels' wings, for I am with you always.

"Listen always to My beloved and holy priest, Father Shamon. He will always protect you and he shall speak for Me, for I speak through him. He will always stand by your side and guide you, for he is truly My holy and anointed priest, who serves Me faithfully, and loves Me and My holy and glorious Mother. Sister M, My precious chosen one, will always guide you; for she knows Me by her love and fidelity to Me. I have blessed her lips to proclaim My praises.

"My little precious one, be at peace for I am always with you and no harm shall ever come to you. You wear the yoke of honor and of dignity. You are My bride and I love you with an everlasting love, My precious child. Be at peace My dove and receive My sanctifying grace. I love you, My precious Mary. Receive My blessing and anointing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

December 29, 2001  
Saturday, 12:21 - 12:34 am

"My child, it is I, Jesus, your Lord and your God, and I wish for you to write. I am giving you a message for all of My faithful little ones. Pray from the very depths of your being, which is love, for I am love and I am with you always. Tend to your duties and stations in life, but always seek My Will first, for each of you. I wish you to remain on the path to holiness, to which you have been called. Place all of your trust in Me, in My infinite love and mercy, which I have for all of you.

"My faithful little ones do not fear for I am, and I am always with you. Run to My Mother, she is always waiting for you with open arms and with so much love — if you only knew how much she loves you and loves to intercede for you before My Father. My Mother pleads for you all before the throne of My Father. It is through the intercession of My Mothers holy and Immaculate Heart that all things are obtained.

"Draw from the font of My mercy, My precious doves, listen to My voice always, in your hearts. Seek what is true, for I am the Way, the Truth and the Life. I am the salvation of the world, the salvation of souls. The world that I have created is in great chaos right now. Pray from your hearts and beg the intercession of My Mother that men will know peace, that all nations will listen to My call for love and peace. Take the peace that I am blessing you with and let it reign in your hearts, so that whomever you meet will know Me, and the love I have for all of My children, and for all of mankind. Seek the truth first in all that you do. Be faithful to My call. Always respond with love.

"My little children, My precious faithful ones, I am blessing all of you with My grace for I am your Lord and your God. Be at peace. Be at peace."

Saturday, 12:35 - 12:41 am

"My Precious child, please continue to write so that I can shower you with My special grace, for you are My holy one, My anointed one, and I love you, Mary.

"Be at peace with any trial you may encounter. It shall always pass and you will be granted the grace to endure. It is allowed by My Father. You, My little one, have been given a great mission. You will always be given the grace to endure and to respond with love. You are on the path to holiness, that which you have been called to. I have placed you under the care of My faithful and beloved servant, Father Shamon, and My beloved Sister M. They will always guide you, for I will speak through them.

"Be at peace, My dove and do not worry about anything for all has been taken care of. You are in My Holy Will and I will always provide for all of your needs. Be at peace, My dove, My precious pearl, My gem. Be at peace, for I love you always. Receive My special graces. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

December 30, 2001  
Sunday morning

“Little one, it is I Jesus, your Lord and your God. Mary, place your trust in Me. I am, and am with you always. You are My precious pearl, My gem. Have faith and be steadfast in your quest for Me. Much change must take place in My Church today. The Holy Father, Pope John Paul, My Vicar on earth, is taking care of this. Pray for the Holy Father, that My Father’s Will, will be done in whatever He institutes. My children need many prayers. Have faith, I will guide you always.

“Receive My blessing and My anointing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit.”

Chapter 5  
Pray For My Children  
(January)

January 1, 2002  
Tuesday, 1:02 - 1:16 am

"My precious child, it is I, Jesus, your Lord and your God. Be at peace, My dove, for I wish you to write. Let not your heart be troubled, for I am with you always. I am the light of the world. The salvation of souls. To you, little one, a great responsibility has been given, but fear not, through My grace you will always endure and will be faithful to My call.

"Do not concern yourself with things of this world, for everything passes. In the Kingdom of Heaven, My Kingdom, all things are eternal. I came into the world and gave My very life for the salvation of souls, but so many of My children do not listen to Me. They are too caught up in things of this world and their vanities. But I say, woe to those who do not listen, for the day is not that far away, when all things of this world will be seen as passing vanities. My Father's patience has grown thin. Pray that My Father's wrath will be tempered and that only His just hand will come over the world. The world that I have created is in such great chaos. My people have made a mockery of holy things and they have let the evil one lead them astray. For so many, My Commandments mean nothing; My laws have been broken by their folly and contemptuous hearts. Be faithful, My little one, for you have been entrusted with a great responsibility. I have placed you under the care of My faithful and beloved servant, My precious Father Shamon (who is devoted in his service to Me and My Mother). Oh, if only he knew how much he is loved by Me."

January 2, 2002  
Wednesday, 10:40 - 10:51 pm

"Mary, My precious child, it is I Jesus, your Lord and your God. Place all of your faith in Me, little one, for I am your Lord and your God. I am pleased with your work and I am blessing you with My infinite graces. Your new friends that I have blessed you with please My most sorrowful heart by their love of Me. I am a merciful God; I have so much love for all of My children. Continue to pray in your little groups. Your prayers please Me so much, along with My holy and glorious Mother. My Mother intercedes for all of you at the throne of

My Father. My Father is pleased with your work. My little dove, whenever your labor feels too heavy, lean on Me for I am your safe refuge. You are My pearl — My precious gem; and I love to grant your requests.

“Be at peace, many good things are about to happen. Rejoice and be glad, for your prayers and love of Me will work many favors — all of which is in accordance with the will of My Father. Little one, My dove, continue to write for it pleases Me. When you are tired and want to find rest, be at peace in My arms, trust Me always and follow Me. I will lead you on the path of righteousness and holiness, for this is My Will. So be at peace, My dove, for I love you with an everlasting love. My children will know that the blessings that have taken place on Wednesdays when you gather to pray the rosary and to seek My Mother’s intercession is My work.

“Mary, I love you. Be at peace, My dove, and receive My blessing and anointing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit.”

January 3, 2002

Thursday, 11:50 pm - 12:05 am

“My precious Mary, it is I, Jesus, your Lord and your God, and I wish for you to write. For My words to you, My little dove, are as sacred as scripture.

“Be at peace, for I am always with you. I am so pleased with your work. Continue to step out in faith. My people will know My work by the good fruit it bears. The time is coming when all will know that the blessings, that come by gathering to pray in your small groups and at the shrine of My holy and glorious Mother, have been allowed by My Father. It is the work of My hand.

“Bless you, My little dove. Do not worry about anything for you shall always be granted all the graces you need to endure and to stay faithful to My call. As My Father has sent His prophets before, now He sends you. I have blessed your lips to proclaim My praises. I have blessed your heart with zeal and the love of God. I have suited you in holy armor, for all of My faithful ones will recognize Me in you. Tread on the wings of angels, My dove. I have placed you under the care of My faithful and beloved servants, My holy, faithful, and anointed priest, Father Shamon and My beloved Sister M. They will always guide you. They are cloaked in sanctity and I will always speak through them. They are My faithful chosen ones. And to you, My faithful little one, a great grace has been given. Stay steadfast in your quest for Me. Receive Me in the Holy Eucharist, for there I am in every tabernacle on every altar throughout the world. The day is not that far away when My Kingdom will be established on earth and My Mother’s glorious and Immaculate Heart will be triumphant.

"Surely, I tell you it will be a day of which no man has ever seen. All of My elect, all of My saints and angels and seraphim, will sing songs of great praise as I am ushered onto the earth, the place of My birth. Prepare your hearts, My precious ones, prepare your hearts. Pray that all of My children will invite Me into their hearts, where I long to dwell so that they too will witness and enjoy My paradise.

"Little one, it pleases Me when you write. I love your faithful littleness; it gives Me such joy. If only you knew, how much I and My holy and glorious Mother love you. Be at peace now My dove. I will bless you with a good and peaceful night's rest. I love you, My dove, My precious pearl. Receive My blessing and anointing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

January 8, 2002

Tuesday, 11:12 pm

"Little one, it is I, Jesus, your Lord and your God. Your littleness and fidelity are pleasing to Me. I abide in you and you abide in Me. You are My precious child; I have placed a seal on your heart of love, fidelity, and zeal. Be steadfast in your quest for Me, let nothing distract you. Detach yourselves from things of this world. They are but passing vanities. Do not let your critics dissuade you, for I am with you always. You wear the cloak of honor and dignity. All this has been allowed by My Father.

" Pray for My children and plea My precious blood so that all will be saved and all of My children will return to Me. Little one, it is I, Jesus, your Lord and your God. Mary, I wish for you to continue to write. Do not let little disturbances cause you any distraction. Pray for My little ones that they will wake up and hear the pleas of My holy and glorious Mother. She pleads for you all at the throne of My Father. "Little one, I came into the world and shed My most precious blood so that all would be saved. So many of My children, still do not listen. They are preoccupied with things of this world and have lost all respect and reverence for that which is holy. They are caught up in the ways of perversity and are on the road to perdition. Woe to those, My dove, who do not listen, for surely, perdition will be theirs. Pray with all of your might that their cold hearts will be open to the pleas of My Mother. I have entrusted all of My children to My Mother. If only you knew how her heart bleeds with sorrow because of the ignorance and indifference of My children. Your prayers and the prayers of My faithful little ones are a soothing balm to My Mother's holy and glorious heart. Continue to pray, My dove, that all will be saved through the intercession of My holy and glorious Mother.

"To you, little one, a great responsibility has been given, but you will always be granted the graces to endure any trials that may come your way. I have placed you under the care of My holy and anointed priest, My beloved Father Shamon. He will always guide you and through his merits, many graces will be obtained. He is My holy one, and truly I tell you, the Kingdom of Heaven is his.

"You are also under the care of My beloved Sister M. She will always guide you. You are My precious child; all of you are under the protection of My Mother and are under her watchful gaze. She will crush all evil that rises up against you. So fear not, My Dove, no harm will come to any of you. Oh, My beloved, if only you knew how much your love pleases Me and My holy and glorious Mother. Be confident in Our love for you. Go forth now in My peace to love and serve Me. Receive My blessing and anointing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

January 11, 2002

Friday, 12:15 - 12:28 am

"Mary, My precious child, it is I, Jesus, and I wish for you to write. My little dove, how your prayers comfort Me and are a soothing balm to My most sacred heart. During My passion, I sweat and wept tears of blood for all of My children. My heart was so grievously wounded by My children who were and would be indifferent toward Me. Lukewarm hearts are so egregious to Me. My dove, pray hard, pray that My children will open their hearts to Me and seek Me by way of fervent prayers. I am always here, waiting for so many of My children to return to Me. My children who have been lead astray break my Mother's holy and Immaculate Heart. She constantly prays at the throne of My Father for these children that they will return to Me through her holy and Immaculate Heart.

"My children are so caught up in the ways of this world, which are so passing. Pray that My children will recognize this and will make good their time here on earth, to do things that are holy and to seek Me first in everything they do. For I say, woe to those who hear My voice and do not listen, surely perdition will be theirs. Men are arrogant and full of pride, they have forgotten Me. Pray that My Father's justice will be swift and My children will be spared from My Father's wrath. I wish for all of My children to return to Me and live with My Mother and Me in paradise, in My Kingdom, the Kingdom of God, the Kingdom of the Most High. Be steadfast in your quest for Me, little one, for I love you with a great love and wish for you to follow Me always.

"Be at peace My little dove, My pearl, and My precious gem. If only you knew how much your prayers please Me. I have blessed your work and am showering you with infinite graces. You are under the care of My beloved Father Shamon, My truly holy and anointed priest, and My beloved Sister M, they will always guide you. For surely I tell you, the Kingdom of Heaven is yours. Be at peace, My dove. Rest in My Spirit. Be still in My arms. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

January 18, 2002

Thursday, 11:59 - 12:21 am

"Little one, it is I, your Jesus, and I wish for you to write. My little one, My precious child, so many of My children are lost. They seek the ways of this world; they are lost by their foolishness to and indifference of holy things. My heart bleeds for My children because of their indifference toward Me. I came into this world, suffered and died on the cross so that all might live and be saved. Satan is wreaking havoc upon the world. How long can I permit this to happen? My Father's patience has grown thin. The day is approaching when My Father's just hand will come over the world. Pray that My children will be spared from My Father's wrath. Surely, I tell you, the time is at hand, and it will be soon and swift. For so many, it will be too late; but for you, My precious dove and My faithful little ones, rejoice and be glad for My Kingdom is at hand and Satan's reign will be no longer. Right now, the demons have been released from their pit, but soon they will be commanded back to the fiery inferno from whence they came.

"Be brave, little one, and steadfast in your quest for Me. I am the salvation of the world. The light that pierces the darkness. All of My children will be given the opportunity to turn away from sin and follow Me. They will be given a glimpse into their souls and so many will look in horror and cry for repentance. My justice will be theirs. Be not afraid, My dove, you have nothing to fear. Continue to follow Me. Lead My children on the way to holiness, where I am, along with My holy and glorious Mother.

"Little one, all things will be revealed to you at the hour of My Father's choosing. Stay close to My Mother; you are under the mantle of her special protection. I know people mock you and do not believe that such grace is possible; but My Father has given you the grace I speak of. You are My chosen one. My children will answer to Me for their ingratitude and indifference. Mary, My precious pearl, advance and walk on angels' wings. I have allotted you special protection under My holy and glorious Mother, St Michael, St. Raphael

and My fleet of holy angels who stand guard and watch over you always. The day is approaching when My Mother's glorious and Immaculate Heart will be triumphant. All of My choirs of angels will sing songs of great praise. All of My elect will go before Me when I am ushered onto the earth, the land of My birth. Truly, I tell you, it will be a day no man has ever seen — a glorious and triumphant day.

"I am coming to save all of My children who hunger and thirst for Me. I will establish My Kingdom on earth, the Kingdom of God. It will be a land where milk and honey flow. My children will live in harmony and want for nothing. Sickness and poverty will be banished.

"My child be at peace. I know all of this is a great mystery to you and My beloved ones. I have placed you under the special care of My beloved and anointed Father Shamon. He will guide you. I will speak through him and My beloved Sister M.

"Remember, My precious dove, you are suited in holy armor and My graces are infinite. I love you, Mary, you are My precious one. I will bless you with a good and peaceful night's sleep, for you belong to Me and I belong to you. I abide in you and you abide in Me. Thank you for your faithfulness. I love you with a great love. Be at peace, and receive My special graces. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

January 20, 2002  
Sunday

"Mary, My precious child, it is I, Jesus, your Lord and your God. Do not be afraid of things, no harm will come to you. This is My promise. Be brave and go forth in My love and mercy to serve Me. I go before you and I walk beside you. The day is approaching when My Father's just hand will come over the world; for many it will be too late. Pray that My children will return to Me, through the heart of My glorious and Immaculate Mother. Go forth in My love and mercy to serve Me. Mary, receive My blessing and anointing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

January 26, 2002

Saturday, 10:07 - 10:22 pm

"Little one, it is Jesus, your Savior. I am your Lord and your God. I am the Alpha and the Omega. To you, little one, a great responsibility has been given. However, be at peace and fear not for I am with you always, you will always be granted the graces you need to endure any trial. I will remain with you forever; you are My precious one, My pearl. I abide in you, and you abide in Me. Continue to be faithful to My call. I am blessing you with very special graces. You are suited in holy armor. As My Father has sent His prophets before, now He sends you.

"I know this is a great mystery to you and My beloved ones, but everything will be revealed to you at the hour of My Father's choosing. Be steadfast in your quest for Me. I am the Way, the Truth, and the Life. I am the light that pierces the darkness. Draw from My font of mercy. I want all of My children, all of My little ones, to draw from the font of My mercy. I shed My most precious blood, so that all may be saved. So many of My children are lost. They must return to Me before it is too late. My Mother pleads for all of My children at the throne of My Father. She wishes for all of them to return to Me through her holy and Immaculate Heart.

"My precious child, unburden yourself of all your worries by running to My most glorious and chaste Mother, your Mother. I have entrusted all of My children to her. If only you knew how one look of love toward Me, one simple act of kindness, moves My heart. I am here for all of My children. How I long to abide in all the hearts of My children. The day is approaching when My children will be given the chance to repent and return to Me. Many will cry out in horror at the state of their souls, they will cry out for repentance. My justice will be theirs.

"Fear not, My dove, you and My faithful little ones are under the care of My Mother's special protection. She will crush any evil that rises up against you. Be at peace now, My precious Mary, I am with you always along with My holy and Immaculate Mother. I have placed you under the care of My beloved and truly anointed priest, My precious Father Shamon, who has always been so faithful to My call, and My beloved Sister M. They are cloaked in sanctity, I am always blessing them, and guiding them, they are always with Me. Bless you, My little dove, My precious pearl. Receive My blessing and anointing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Earlier today, around 4:45 pm, a vision was revealed to me. I saw a fleet of ships sailing toward me. They were blue, white, and silver. As they approached the shore, the ships turned into a brilliant white light. I could see

people standing on the shoreline; I could see only their heads, surrounded by a red-orange light that illuminated all around them.

January 27, 2002  
Sunday

"Mary, My precious child, it is I, Jesus, your Lord and your God. I am your safe refuge in the storm. Whenever you are tempted, run to Me. I am your refuge. Have faith in My mercy for you and for My children. Do not doubt My mercy. Go forth in My peace, My precious dove, spread your wings and share My messages of love and mercy with all of My children. Go forth to love and serve Me. Receive My blessing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

January 29, 2002  
Tuesday, 9:00 - 9:09 am

"My precious child, it is I, Jesus, your Lord and your God and I wish for you to write. How long little one, must I wait for My children to return to Me. They are so lost: they seek the ways of this world, and are so caught up with themselves. My Father's patience has grown thin, as Mine has. Pray from your heart, My little dove, that My children be saved by the way of the cross, and that My Father's wrath will not come to pass. Mary, My dove, so many of My children are arrogant and indifferent. They scoff and mock at holy things. The day is not that far off when they will see what their folly has cost them. Pray, My precious one, pray for My lost flock, it is My desire that all of My children will return to Me before it is too late.

"My Mother's heart is broken; she pleads at the throne of My Father for all of My lost sheep. The day of reckoning is at hand. Be steadfast in your quest for Me, you are My pearl, and My precious gem. Mary, do not be afraid. I am your Jesus and I love you with a great love. I will never leave you, you belong to Me and I belong to you. I abide in you and you abide in Me always. Little one, go forth now on angel's wings and spread My messages of love and mercy to everyone you meet. Be at peace little one. Receive My blessing and My anointing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Chapter 6  
Step Out In Faith  
(February)

February 3, 2002  
Sunday, 10:28 - 10:41 am

"Mary, I am your Jesus, and I wish for you to write. Little one, be patient. All things will be revealed to you at the hour of My Father's choosing. You are My little pearl, My gem. I am so pleased with your work, My dove. Continue to step out in faith, for I am always with you. Never be afraid. I go before you and I walk beside you. I am the Lord of hearts and I know what is written in yours, My little dove. You will want for nothing. I am your salvation and your safe refuge from the storm. When you meet adversity, walk the other way with a smile in your heart. For it is then that you are united to My suffering. Then, that which seems like suffering becomes sweet perfume that fills all of your senses. Little one, it is My Father's Will that you walk this way. I am your safe refuge. Reach out to My children in need, extend My blessing to everyone you meet in My name. Continue to pray, My dove that My children will return to Me through the intercession of My Mother. I have placed all of My children under the mantle of My Mother's protection.

"My Father is also pleased with your work, so rejoice and be glad, for your reward is great in Heaven. Seek Me first in all that you do. If only My children knew how one look of love or act of kindness moves My heart, they would spend their days doing good and they would find Me in all things. I am your Lord and your God. Rejoice and be glad for My blessings are infinite, and My grace rests upon you.

"Continue to listen to My beloved priest, Father Shamon, for he is cloaked in sanctity and he is My gift to you. He abides in Me and I abide in him. He will always guide you, for I will speak through him. My beloved Sister M, My precious one, she too is cloaked in sanctity and is your refuge in the storm. Little one, I have blessed your lips to proclaim My praises. I have blessed your heart with great love and fidelity of Me. Go forth now, My precious one and spread My messages of love and mercy to everyone you meet. Receive My blessing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Sunday, 11:11 - 11:18 pm

"Little one, it is I, your Jesus and I wish for you to write. Behold, I am the Lamb of God who takes away the sins of the world. Little one, long before you were born, you were called by My Father to lead My people out of darkness into the light, into My Kingdom, the Kingdom of the Most High. This is your destiny.

"My dove, be brave and go forth to do My bidding. You have been suited in holy armor, in which I have cloaked you. Many things will be revealed to you at the hour of My Father's choosing. Do not ever lose heart, for I am with you always. I go before you and you are never alone. I have blessed you with the gift of My beloved priest, Father Shamon; he will light your way. You will never lose your footing on your path. Any stone in your way will turn into loose sand that runs through your toes. I am calling you to this mission. My word is truth, and to you, little one, I delight in bestowing My graces. My grace will flow through you. Many people will be converted and will return to Me through the Heart of My Immaculate Mother. My dove, My precious child, I am so pleased with your work.

"Continue to step out in faith; I will provide for all of your needs. Go forth now and continue on your journey in peace, for it pleases My Father. Be at peace, My little dove, and receive My grace for it is bountiful. I bless you with My ardent love and grace in the name of the Father and of the Son and of the Holy Spirit."

"Little one, you are My dove, My pearl, I desire for all of My children to love Me as much as you do. It is your innocence of heart, My dove, which pleases Me so much. Do not lose heart, for I am with you always. Continue to gather My flock and lead My children on the way to holiness. I am the light of the world and the font of mercy from which all of My children can draw. Oh, if only My children knew how much I and My holy and glorious Mother love them, they would cry with joy. Be at peace and spread My messages of love and mercy to everyone you meet. Mary, My dove, receive My blessing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

My majestic splendor will reign over the world that I have created. Blest are they who will experience this and who will live in My peace. "Mary, it is I, your Jesus, and I wish for you to write, My little lamb, My dove. Go forth in faith little one for I am with you always. I am the light of the world, the light that pierces the darkness. I am the salvation of the world, the Alpha and the Omega.

"My precious dove the time is approaching when all of My children will be submersed in My love. They will be given the opportunity to turn away from sin and repent. However, woe I say to those who do not listen, for surely perdition will be theirs. Tread on angel's wings My dove and go forth in faith to lead My children out of darkness into the light. I will lead you always. I go before you; I am the Light of the World.

"Blest are they who respond to My call with love and an open heart, for they will experience My paradise on earth. They will reap the rewards of their faith and will want for nothing. For I am coming to save all of My children who hunger and thirst for Me. I will banish all poverty, hunger, and earthly desires. Strength and fortitude will be awarded to My faithful who follow Me and answer My call with love. "All of My children are under the watchful and loving gaze of My Mother. She pleads for all of My children at the foot of the cross. My little doves will always be protected. Go forth now in My love and peace to serve Me. I am with you always. For My Kingdom is at hand. Spread My messages of love and mercy to everyone you meet. I love you Mary, My dove, My pearl, with such a great love. Receive My blessing. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Wednesday, 10:21 - 10:38 am

"Mary, it is I, your Jesus and I wish for you to write. Be steadfast in your quest for Me little one, I am the Way and the Truth and the Life. Continue to be My precious dove. I have and will continue to bless you generously, My precious child. Never be afraid because I am always with you and will never leave you.

"Little one, now, as you and My faithful little ones enter into the holy season of Lent, prepare your hearts for My reign on earth. The time is approaching, My dove, when all will be bathed in the light of My resurrection. You have nothing to fear. During this time, walk the way of the cross with My sorrowful Mother. Let your love of Me be a soothing balm to My Mother's wounded heart. Her heart was so grievously wounded by what she had to endure through My passion. Comfort My Mother, My precious doves. Run to her! She is your patron; through her sorrowful and Immaculate Heart all things can be accomplished. My majestic splendor will reign upon earth as it does in heaven.

"Prepare your hearts, My doves; prepare your hearts, as I descend upon the earth with all of My elect. I know this is a great mystery to all of you. The day is approaching when all will be revealed to you at the hour of My Father's choosing. Be not afraid My dove, I have blessed you with My devoted and beloved priest, Father Shamon. He will continue to lead and guide you. He is My anointed one, My chosen one, and My gift to you, My precious Mary.

"Mary, My dove, much will be asked of you but fear not, you will always be given the grace to endure any trial. I go before you always. Be at peace now and continue to gather My faithful little ones on the road to holiness. I am with you always. I will never leave you. This is My promise. I abide in you and you abide in Me; you are My precious jewel, My gem. Be at peace and console Me often, My love. I am your Jesus and I desire to consume your love for Me always. You are My betrothed, and I am yours. Mary, welcome My Holy Spirit into the very depths of your being so I can immerse you in My sweet love. Do this with sweet abandon, My precious child. Your reward is great in Heaven.

"Be at peace My dove, let your love ascend to Me where I will transform it into sweet surrender, and My blessings and grace will continue to rest upon you. "My children, seek only to know My will, the will of My Father. For it is there that you will be given grace and blessings. Pray from your hearts that you will be granted wisdom and understanding. I am the salvation of the world. I came into the world, suffered and died so that all might be saved, each and every one of you. I shed My most precious blood to wash away the sins of mankind. I sent My Spirit to dwell among you so that you would stay on the path to holiness to which you are called.

"But oh, foolish men, how you seek the ways of this world which are but passing vanities. Shed your thoughts of pride and indifference and seek what is holy. Tuesday, 1:29 - 1:43 am

"Little one, My precious Mary, it is I, your Jesus and I wish for you to write, My pearl. How I long for My children to love Me and to place all of their trust in Me. If only they knew how one look of love toward Me, moves My heart; what joy they would know. I want all of My children to taste My bounty, to experience My peace and to know My love for I am their Lord and their God.

"So many of My lost sheep do not even know Me. My most Sacred Heart is so wounded by My children who do not know Me and who have turned their backs on My love and mercy. My mercy is endless, infinite and all consuming. Pray from your heart, My little dove, that My children will return to Me, through My Mother's wounded and Immaculate Heart. Pray, little one, and run to My Mother. She is your protection. I have placed all of My children under the mantle of her protection. My Mother's Heart was so grievously wounded by what she had to endure through My passion. Comfort My Mother. Walk with her on the way of the cross. Console her with your love and fidelity of Me. It is My Mother's wish and desire that you fight the good fight and stay steadfast in your quest for Me. I want all of My children to experience My fruits and to partake in My bountiful feast.

"Little one, you are under the care and protection of My beloved priest, Father Shamon. He will always guide you for I am always with him. I abide in him and he abides in Me. Listen to him, he is My anointed one. My beloved Sister M, My anointed one, is your protection. She will continue to lead you on the path to holiness, for I am always with her, guiding and enlightening her.

My beloved, I am your Jesus and I love you with a great love, so let your heart delight, My dove. I bless you and anoint you with My all consuming love and peace in the name of the Father and of the Son and of the Holy Spirit."

"Little one, it is I, your Jesus and I wish for you to write. How I delight in your love and fidelity for Me. It is My desire to shower you with My messages of love and mercy for all of My children. Let My children's hearts be open to My divine love and mercy. What a wealth of treasure awaits My elect, My chosen ones.

"The dawn of the Holy Spirit on My Church will reign over the whole world. Awake and rejoice you men of all nations, it is the dawn of a new era. Many of My elect have been given the gift of prophecy before you; they were enlightened with divine truth. I am the Way, the Truth and the Life. The gifts of My Spirit are boundless, infinite and all giving. Let your hearts rejoice. In My great love for mankind, you have all been called forth to walk in the light and to return to My Father through Me and through the Heart and hand of My Immaculate Mother. It is through My Mother's love and intercession that My

children will be given the grace to wake up, to walk away from sin and return to Me.

"This is a great blessing I give to you My dove, My precious Mary, My chosen one. Continue to step out in faith, My love, for I am with you always. I have entrusted you to My beloved priest, Father Shamon, he will always guide you, I abide in him and he abides in Me. He is cloaked in sanctity and I have bestowed upon him many gifts and blessings by his faithful service to My Mother and Me. My beloved Sister M, will continue to guide My flock, she too is cloaked in sanctity.

"Oh, My dove, rejoice in My Father's abundant goodness and His love of you. You have been called forth by My Father to lead My people out of darkness into the light, into My Kingdom, the Kingdom of the Most High. As I have sent My prophets before you, now I send you to do My will.

"Great is your reward in Heaven. Be not afraid and rejoice in My goodness, for My favor rests upon you. Be at peace now and accept My blessing of love and peace that will reign in your heart forever. Go forth in My peace. You are My dove, and I bless and anoint you with My peace and love in My name, in the name of My truly divine and Beloved Son, Jesus Christ and the Holy Spirit."

February 27, 2002

Wednesday, 11:44 pm - 12:00 am

"Little one, it is I, your Jesus and I desire for you to write. Behold, I am the light that pierces the darkness. I am the salvation of the world. I want all of My children to come to Me, prostrate before Me, and drink from the font of My Mercy. I am Mercy. I wish for all of My children to return to Me through the Immaculate Heart of My Mother. It is through the intercession of My Mother that all will be saved and find their way back to Me.

"Little one, plea My precious blood for all of My children who have strayed. I came into the world, suffered, and died on the cross so that all would be saved and freed from sin. But for so many of My children, they do not even know Me and they are lost by their foolishness and indifference. The time is approaching when all will see the state of their souls as My Father sees them. My children will be given the opportunity to turn away from sin and follow Me. They will run to the churches and to My priests. They will flock to confession and once again will receive My Body and Blood in the Holy Eucharist. Order and peace will be restored to My Church.

"Many, many healings will take place. The multitudes will be cleansed and fed. The lowly will be exalted, the hungry will be fed, and the homeless will be

granted shelter, the unloved, will be loved. Sinners will be cleansed. My Church will be renewed with My Spirit. My children will live in love and harmony and will want for nothing. My Mother's Immaculate Heart will be triumphant. She is calling all of My children to herself and has placed them under the mantle of her protection. She is leading them on the path to holiness, to which they have been called in preparation for the triumph of My reign on earth.

"My Kingdom will be established. The Kingdom of God, the Kingdom of the Most High. It will be a day of which no man has seen, a joyful and triumphant day. Prepare your hearts My little ones. Prepare your hearts for My majestic splendor, which will reign over the entire world that I have created — a land where milk and honey will flow. Be at peace and prepare your hearts, for My reign is at hand.

"Mary, My precious one, continue to step out in faith, be kind to everyone you meet and extend My blessing to all. You are My chosen one; My anointed one and My peace and grace rest upon you, My dove. Be at peace now and receive My blessing. I bless you and I anoint you with My peace and My grace in the name of the Father and of the Son and of the Holy Spirit."

(March & April)

March 1, 2002  
Friday, 11:12 - 11:16 am

"Little one, it is I, your Jesus, and I wish for you to write, My dove. Oh how your prayers and love move My heart. If only you knew My dove, what awaits you; you would jump for joy. I am love, I am mercy, I have so much love for all of My children, drink from the font of My mercy. Be cleansed in My most precious blood. Seek Me in all that you do, My beloved. You are My betrothed, I belong to you and you belong to Me. You are My chosen one; let your heart sing songs of praise. You will be raised up with all of My elect into the company of My saints. This is true, little one, go forth and be immersed in My mercy. You are cloaked with My love and fidelity. You are Mine and I am yours. Be at peace now and go forth to spread My messages of love and mercy to all of My children. I bless you and I anoint you, My precious child, My precious Mary, with My peace and My grace. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

March 14, 2002  
Thursday

"I am your Mother, the Holy Mother of God. I am so pleased that you have gathered to pray the rosary. Honor my Son in the Blessed Sacrament. Peace, my little ones, peace. I love you."

12:14 - 12:21 am

"Little one, it is I, Jesus, and I wish for you to write. Little one, the errors of men are vast, they are lost in the ways of this world. How My heart bleeds with sorrow at the very thought of My children who have turned their backs on Me. My heart is so wounded. Pray without ceasing, My dove, that men will return to Me, for I am their Lord and their God. My mercy is endless, if only My children knew how one look of love moves My heart.

"Pray, My little dove, that My children will be spared from My Father's wrath. My Father's patience has grown thin by the indifference and arrogance of My children. I wish for all of My children to know My love and mercy for

them and to share in My paradise. Run to My Mother, she is the seat of wisdom and compassion. I have placed all of My children under the mantle of My Mother's protection. Be at peace now, My dove, for I love you with a great love. I bless you and I anoint you with My love and grace in the name of the Father and of the Son and of the Holy Spirit."

March 16, 2002

Saturday, 8:38 - 8:52 pm

"Mary, My dove, it is I, your Jesus, and I wish for you to write. How I delight My dove, in your love and fidelity of Me. You are My precious pearl, My beloved, and My betrothed. Oh, to you, My little one, My graces flow. My Mother is so happy with your work and your love for her.

"Rejoice, My little pearl, for it has been written down through the ages that you have been called forth by My Father to lead My people out of exile into My Kingdom, the Kingdom of the Most High. The Kingdom of God is at hand. Be on the watch, My precious one, soon the angels will sound the trumpets and all of My elect will join Me and My holy and glorious Mother. For a new era in My Church will dawn. Harden not your hearts, My precious few, My Kingdom is at hand. The trumpets will blast; My splendor will be heralded by all of My children. My majestic splendor will reign over the entire universe that I have created.

"Prepare your heart, My dove, prepare your heart. You will fly with My angels, you will lead My people on a glorious journey that has been predestined by My Father. I have blessed you with My beloved priest, Father Shamon. He will accompany you, My dove. No mountain will be too high, no prairie too vast, nor any river too swift, or body of water too deep. You will join Me in My new paradise. Be steadfast in your quest for Me. I am the Way and the Truth and the Life. I am the beacon of light and truth. I will go before you always, leading you into My promised land, a land where milk and honey will flow — a land where My children will want for nothing.

"A great sign will appear in the sky, this will be your first awakening. I will be with you and will never leave you. Mary, My dove, I will take you as My bride. I will cloak you with My love and fidelity. This is My promise. Oh My dove, how I love to come to you in your weakness. It is through your weakness that you are made strong. Oh, how I delight in your love for Me. I love to answer your requests. I am showering you with My sanctifying grace.

"Give praise to My Father, for He loves you with a great love and His favor rests upon you. Be at peace now My precious one. Sister M, and My beloved and truly holy and anointed priest, Father Shamon, will continue to

guide you on the path to holiness. I love you Mary with a great love. I bless you and all of your loved ones and friends with My peace and My grace, in the name of the Father, and of the Son, and of the Holy Spirit.”

March 21, 2002

Thursday evening (during the rosary)

“My children, my Jesus is so pleased that you have gathered in your small group to pray the rosary. All of you and your loved ones are under the mantle of my protection. I love all of you and am blessing you with my peace.”

(Later that same evening)

“Little one, it is I, your Jesus, and I wish for you to write. My dove, how I delight in your love for Me. You are a channel from which My grace flows. Little one, be at peace, you will not be deceived. You will know these messages come from Me by the peace you feel and by the peace I bless you with. Be not afraid, for I am with you always. Be fervent in prayer. Pay no attention to the distractions you experience, they come from the evil one; he tries to test you, to cause chaos.

“My dove, be fervent in prayer, I know what is written in your heart. I am the Lord of hearts and I know what is written in all of My children’s hearts. Abandon yourself to Me completely My dove, so that I can transform you into sweet love. My grace rests upon you, My precious child. Much will be asked of you but you will always be given the grace to endure. My Church faces great controversy by the error and sinfulness of a few. It has been poisoned by this pestilence; but alas, it will be cleansed and renewed with My Spirit. A new era is about to dawn. The world that I have created is in great chaos by the sinfulness of man. Many tribulations will be the result; but My faithful little ones have nothing to fear. How long can I permit this to happen, My little dove? There is so much deceit and darkness, the demons have been released from their pit and they are causing havoc everywhere. My Father’s patience has grown thin; pray from your heart that My children will be spared from My Father’s wrath. I have placed all of My children under the mantle of My Mother’s protection.

“My dove, I am blessing you with My peace and My grace, do not worry about anything. I will always protect you and your loved ones. You belong to Me and I belong to you. Be on the watch, My dove, things will be revealed to you at the hour of My Father’s choosing. Remain confident, believe in My mercy and love for you. For I love you with a great love, My precious pearl, My dove.

Be at peace now and receive My blessing. I bless you and anoint you with My peace and My grace, in the name of the Father, and of the Son and of the Holy Spirit.”

March 27, 2002

Wednesday, 11:22 - 11:37 pm

“Little one, it is I, your Jesus, and I wish for you to write, My dove. How I delight in your love for Me. Mary, My precious child, do not pay any attention to distractions, you will not be deceived, and it is My wish and desire for you to write. Spread My messages of love and mercy to all of My flock, you are My chosen one and My favor rests upon you.

“From as long ago as the mountains and streams were formed, My Father called you forth, long before you entered your mother’s womb. A special mission has been given to you, My dove. You are to lead My children out of exile, into My Kingdom, the Kingdom of God. I know this is a great mystery to you, My pearl, but all has been predestined by My Father. I have given you the gift of My beloved priest, Father Shamon. He will continue to guide you on the road to holiness. I will speak through him. My beloved Sister M will continue to shepherd My flock.

“On a night not so far off in the distant future, a great light will appear in the sky, a light that no man has seen. It will be the prelude of a great awakening of things to come. When you see this, you are not to be alarmed, My Mother’s mantle of protection will cover My faithful little ones; no harm will come to you. You must not be afraid and you are to trust in My love and mercy for you and for My entire beloved. This sign will be followed by a purification allowed by My Father. This is necessary to rid the world of any evil.

“Stay steadfast in your quest for Me, My dove. I am showering you with My special grace; My peace will always be with you. You are a channel from which My grace flows. I will raise you up to great heights; you have been suited in holy armor. You will not be alone, My beautiful and devoted priest, Father Shamon will accompany you on this great and glorious journey. Fly and tread on angels wings. My elect will accompany you. The fleet of holy angels that I have assigned to you will light your way. Be at peace, My beloved, My betrothed. How I love to answer your requests. Let your prayers rise up to Me where I await them with great love and anticipation. You will want for nothing. The Kingdom of Heaven is yours. I am your Lord and your God, trust in My mercy and love. My beloved holy and glorious Mother is so pleased with your work. She is so happy by the response of My doves. You are all under My Mother’s mantle of protection.

"Go forth now, My precious few. I am with you and will never leave you. I love you Mary and I bless you and anoint you with My sanctifying grace in the name of the Father and of the Son and of the Holy Spirit."

March 31, 2002

Easter Sunday, 12:07 pm

"Little one, it is I, your Jesus, and I wish for you to write. Little one, it is right to ask for prayers for My priests in this hour of darkness in My Church. I am the light and I will illuminate My Church with the light of My resurrection and the breath of My Spirit. I will no longer allow this pestilence to fester in My Church. I am the Way and the Truth and the Life. My holy and anointed priests are My Body on earth.

"The hour is approaching when the truth will be known. Continue to step out in faith, My dove, and plea My precious blood for My priests. I will continue to bless your work and lead you on this path. I will light your way; have no fear, no obstacle will be too great. Your fleet of holy angels that I have assigned to you is ready to do battle for My glory. All of My elect stand ready to assist Me. Fear not, for I am your Lord and your God and for Me nothing is impossible. My Church will be vindicated. Go forth, My little dove, and tread on angels wings. The light of My resurrection will illuminate the earth that I have created. My little dove, the evil one is wreaking havoc everywhere, and I can no longer permit this to happen.

"Unite yourselves to Me in prayer and sacrifice. Let your prayers rise up to Me where I await them with great love and anticipation. My little dove, you are My chosen one. You will never be unaided. My Mother is your protection; she is your mother and will crush any evil that rises up against you. Be steadfast in prayer, do good works and greet everyone you meet with love and charity in My name. My beloved priest, Father Shamon, will always guide you. He is My truly holy and anointed one. To him My love and mercy flow. Go forth now, My little dove, in My peace, for I love you with a great love. Receive My blessing and anointing in the name of the Father and of the Son and of the Holy Spirit."

April 3, 2002

Wednesday, 11:37 - 11:52 pm

"Little one, it is I, your Jesus, and I wish for you to write. My child, believe it is I, your Jesus, your Lord and your God. I have graced your friends

with My presence and My gifts. I am so pleased with your love for Me. Never despair; for I am with you always, you are My special friends. I have given you, one to the other, in the spirit of truth. I am the Way and the Truth and the Life. Be at peace My precious doves; stay on the course that you are on. Seek only Me so that all of you will stay on the path to holiness. You must fortify and encourage one another and stay close just as My apostles were close to each other. They always fostered their love for Me in one another. Be of service to each other and all those who I will put in your path. My love will radiate from you. Continue to unite yourselves in prayer and sacrifice. Be steadfast in your quest for Me. For I love you all with a great love and will remain with you forever.

"Be at peace now, My dove. You have a lot of work to do, it is important that you have My messages distributed. My faithful will recognize that these are My writings by the peace they feel. I will illuminate all who hear them with My grace. Be steadfast, My little dove, pray now for all of My children that they will return to Me through the Immaculate Heart of My Mother. My Mother pleads for all of My children at the foot of the cross. She is calling all of My children to herself, where you will all be cloaked in the protection of her mantle.

"The hour is approaching when the earth will tremble and the sky will open. All of My elect stand ready, for the reign of God is at hand. My Kingdom will be established on earth, as it is in Heaven. All will be bathed with the light of My resurrection. My faithful little ones will want for nothing. My Kingdom will be a land where milk and honey flow. To you, little one, a special mission has been given. Your fleet of holy angels stands guard over you. They will guide your way and illuminate your path. My beloved priest, Father Shamon, will guide you on this glorious journey, predestined by My Father. You will proceed hand in hand and lead all of My faithful. My beloved priest, Father Shamon will guide My flock and lead My priests into My Kingdom, the Kingdom of the Most High. Glorious and miraculous things await you, My dove. I am blessing you with sanctifying grace. You are My beloved, My betrothed, and I will take you as My bride.

"Tread on angels' wings and go forth in faith for I love you with a great love and will never leave you, My precious pearl. Be at peace now and receive My blessing and anointing in the name of the Father and of the Son and of the Holy Spirit."

As Our Lord dictated this message to me, the heat and warmth of the Holy Spirit radiated above my head. I feel so peaceful, what a glorious night my friends and I experienced. Our Lord graced us with His stone cross on top of the grotto moving and illuminating as though it were 24 karat gold. Our Blessed Mother graced us with her presence, moving and gesturing to us, in love. A night we will never forget.

Earlier, we celebrated Father Shamon's 87<sup>th</sup> birthday, with a cake and we prayed the rosary and talked about Our Lord and Blessed Mother, and the Saints. We shared how grateful we were for the gift of one another's friendship. Father Shamon is my rock. I love him so very much. I love to be in his company. I have learned so much from him and continue to do so. I thank Our Lord and Blessed Mother for Father Shamon and my dear friends.

I love you, my precious child. Be at peace, be at peace.

"My child be at peace, do not let your thoughts trouble you. Little one, you cannot always interpret my messages exactly, for you are human, it is your human nature. Therefore, you are not interpreting or transcribing my messages exactly, but be at peace. Mary, my little child, do not worry about transcribing my messages verbatim. I am so pleased with your work and I am with you always, guiding you and protecting you. If only you knew how my Jesus takes delight in your love and fidelity of Him, you would jump for joy. Be at peace, my precious child, for I am with you always. I am the Blessed Virgin Mary, the Mother of God, your Mother. Be at peace, be at peace."

April 15, 2002  
Monday, 10:39 - 10:54 pm

"Mary, My dove, it is I, your Jesus, and I wish for you to write. Do not hesitate, have faith, for I love you with an everlasting love. You are My chosen one, My pearl. Oh, how I delight in your love for Me. Mary you will not be

mislead, I will never permit that to happen. Continue to write for I am your Jesus.

"Little one, long before you were born, I knew your name and the very essence of your being. It was already predestined by My Father that this great journey would be granted to you. I will raise you to great heights to be in union with the saints. For I live in you and you live in Me. You are My betrothed and I will take you as My bride. You will stand with My elect at My altar in Heaven. Oh My dove, if only you knew what awaits you. Have no fear; trust in My infinite love and mercy for you and for all of My faithful.

"My little one, I have blessed you with My faithful and beloved priest, Father Shamon. He will always guide you, for I will speak through him. He is your guardian on earth and I have entrusted you to him. He is My holy one, My anointed one, and he wears My cloak of sanctity. He will lead My priests out of this great darkness that has dawned, out of this exile. And you, My dove, will lead My faithful children out of exile into My Kingdom. Father Shamon will go before you leading the way; and I will go before you always, leading you on this great and glorious journey, so fear not! No stone will cause you to stumble, no mountain will be too high, nor any river too swift, and no body of water too deep, be steadfast and tread on angels' wings. My fleet of holy angels that I have assigned to you will light your way. All of My elect stand ready to assist Me.

"Many tribulations will take place, but My faithful have nothing to fear and no harm will come to you, My dove. This is My promise, for I go before you always, leading, guiding, and teaching you My ways. Be at peace now, My dove, and be on the watch, for the Son of Man will raise up His Church with the breath of His Spirit and the light of His resurrection. I am coming to save all of My children who hunger and thirst for Me. It will be a day no man has ever seen, a glorious and triumphant day. My Mother's holy and Immaculate Heart will reign. All of My saints and angels will sing songs of glory and praise.

"Be at peace, My little pearl, I am with you always. On this special day, this day, your birthday, I am enlightening and bestowing special graces on you. Rejoice in My love for you My little dove, My precious pearl. How I love to refine you as I lead you on the path to holiness to which you have been called, because you, Mary, are My precious gem. Receive My special grace and blessing in the name of the Father and of the Son and of the Holy Spirit."

Tuesday, 10:30 pm

As I was praying my rosary this evening at home, I heard an inner voice say, open your eyes. I was prompted to look in a certain direction when I saw

what I describe as the light of Heaven envelop me. Then I was shown scenes of Our Blessed Lord's crucifixion. I saw Our Lord carrying the cross, and I saw Our Lord, my Savior, my sweet Savior, on the cross. Then I saw Our Lady standing next to him. I saw a large crown of thorns and then a large and beautiful crown of glory. This lasted for about fifteen minutes. At first, I felt a little afraid, but then the most incredible peace came over me and remained with me for a few days. There are simply no words to describe how I felt or how I feel as I recall this experience.

Tuesday, 11:07 - 11:10 pm

"Little one, it is I, your Jesus, and I desire you to write My little dove, My pearl. Oh, how I delight in your love for Me. You are My chosen one, My anointed one. The hour is approaching when all of My children will experience My peace. Be on the watch, My dove, for the just hand of My Father will come over the world. It is necessary, to rid the world of evil.

"Fear not, My faithful have nothing to fear. As a good shepherd, watches over his flock, I will gather all of you under the mantle of My Mother's protection. My holy and glorious Mother pleads for all of My children at the throne of My Father. My little children, when your burdens seem to heavy, lean on Me, give Me all of your cares and concerns. It is then that I will console you and grant you My peace. Never be discouraged in this hour of darkness, for surely I tell you, the light of My resurrection will illuminate the earth that I have created. A new day will dawn where My children will experience My peace and the fruits of My Spirit. The lonely will be befriended; the sick will know good health. The impoverished will be fed. The lowly will be exalted, and the exalted will be made lowly. Rest and rejoice in My words and have great confidence in My love for you. Trust in My infinite mercy and love for all mankind. I am with you always."

Tuesday, 10:28 pm

Tonight, around 6:15 pm, I was in my bedroom putting up curtains. Suddenly, the sun shone very brightly through the curtains and I could see the shape of the cross through them. I pushed the curtains back to take a better look, and by God's grace, I was able to look into the sun. I saw the beautiful color of magenta red and cobalt blue, the colors of the Sacred Heart of Jesus and the Immaculate Heart of Mary. As I stared at the sun, I was shown a fleet

of about twelve ships. They looked like an armada, and the colors that surrounded them were white, blue and a most brilliant white light.

Tuesday, 10:27 - 10:37 pm

"Mary, My precious child, it is I, your Jesus and I wish for you to write. How I delight, My dove, in your love for Me. Come to Me for everything and drink from My unending font of mercy that is for you and for all of My children. Your praises of love move My heart, how they delight Me. You are a beautiful flower that I have picked. You are precious and how I love to shower you with My gift of grace.

"Continue to step out in faith, I am with you always. Proceed as you have been, no harm will come to you. Continue to gather My faithful, and I will continue to bless everyone who joins you in your rosary group as you honor My holy and glorious Mother. My Mother pleads for all of you at the foot of the cross. Walk with My Mother as she leads you all on the road to holiness, to which you have been called. Be steadfast in your prayers, and let them rise up to Me where I meet them with great love and anticipation. Your love for My Mother moves My heart. Oh My children, if only you knew how one look of love toward Me moves My heart, you would all jump for joy.

"I will continue to bless you all with My grace. Trust in My infinite mercy and love for you for I am always with you and I love you with an everlasting love. Be at peace now, I am blessing all of you with My peace and My grace in the name of the Father and of the Son and of the Holy Spirit."

April 2002

Message received from Our Lady.

"My daughter, I am the Holy Mother of God. The Blessed Virgin Mary. Behold my Son, plea my Son's precious blood for my priests. Pray from the bottom of your hearts that my priests will be spared from this pestilence that has invaded My Church.

"My Church is in trouble. Satan is wreaking havoc everywhere. Pray that my children will be spared from the Father's wrath. Pray my children, pray from your hearts. I am with all of you and I am blessing you with my peace and my love."

Chapter 8  
Stay Close To My Mother  
(May & June)

May 7, 2002  
Tuesday, 11:50 pm

"Mary, my precious child, I am your Mother, the Holy Mother of God. My precious Mary, how pleased I am with your work. Little one, continue to step out in faith, I am always with you leading you and guiding you. It pleases my Jesus that so many of my children have continued to be faithful to my call. I will continue to visit all of you at the grotto, and I will continue to give my monthly message. The next time I wish for you to gather, my dove, is June 12<sup>th</sup>. I will be there with my Jesus. Do not fear, my precious one, do not fear. I am blessing you with my very special grace. Peace my dove, peace. I love you, Mary, peace."

May 12, 2002  
Sunday, 12:27 - 12:44 am

"Little one, it is your Jesus and I wish for you to write, My dove. Let not your heart be troubled by the absence you feel by not being able to talk to My beloved daughter, Sister M. This is only temporary. I have entrusted you to her, My dove, so do not be troubled, for I have united you in spirit, nothing can separate you. This is all part of your journey into holiness to which I have called you.

"Have faith, Mary, you have already realized in this brief absence, the fruit of My gift to you. You know how much My beloved Sister M has taught you by her faithfulness and love of Me. She is devoted to My Mother's holy and Immaculate Heart, which contains all of the treasures of Heaven. Little one, much will be asked of you, but you will never lose your footing. I have assigned a fleet of My holy angels to watch over you. They are always with you, and they accompany you wherever you go standing guard over you.

"My Father has predestined you to a very special mission. You will continue to lead My children on the path to holiness. You are My anointed one, My precious pearl. Have patience and be assured that you will always be given the grace you need to fulfill this mission that has been allowed by My Father.

"Mary, I love you with a great love and I am very pleased with your work, gathering My children to pray the rosary and honoring My holy and glorious

Mother. I assure you, that all of my children are under the mantle of My Mother's protection. My little dove, when you are weary, rest on Me and let your spirit be refreshed in the depths of My divine love. Once you have experienced My divine love, I call you deeper and deeper within My heart. There, communion with Me fills you with My presence. The very essence of your being will be preserved for Me. My tender and sweet embrace alone will sustain you. You are Mine and I am yours.

"I am telling you this, My precious child, to help you in the future when the nights will be dark and My children will run to Me and flock to My Church. You must never be afraid, you must continue to step out in faith, My love. My beloved and devoted Father Shamon will always guide you. He is My gift to you and you must listen to him for he will always guide you on the road to holiness. He will continue to shepherd My flock.

"On a night, not so far off, a great light will appear in the sky. This will be your first awakening. I will be with you, fortifying you and granting you all the grace and perseverance you need. A great responsibility has been given to you My dove, and to My beloved priest, Father Shamon. You will be protected by My holy and Immaculate Mother who will guide and protect you. My elect will stand ready to assist Me. Behold, a glorious event will be witnessed by My faithful. Have faith, My dove, I love you and I am with you always. You are My treasure and how I love you and your prayers that rise up to Me, these I await with great love and anticipation. I love you, Mary. Be at peace now and rest in My arms, rest in My Spirit. Receive My blessing and anointing in the name of the Father and of the Son and of the Holy Spirit."

(As Our Lord dictated this message to me, my hand wrote swiftly and steadily. I also felt the heat of the Holy Spirit above my head and near my forehead. I experienced a tremendous amount of peace. I had just finished my rosary and the Chaplet of Divine Mercy and I could feel Our Lord and Our Lady's presence very strongly and also that of St. Michael the Archangel. Praise be to God and to His Holy name.)

May 13, 2002

Monday, 12:14 - 12:20 am

"Mary, My dove, it is I, your Jesus and I wish for you to write. Come to Me, My dove and place all of your trust in Me. I will never disappoint you and I will inebriate you with all of My treasures for I love you with a great love. My dove, how I look forward to our quiet communion where I shower you with My love and My grace. If only you knew what awaits you, My dove, the Kingdom of

Heaven is yours. Continue to share My messages of love with all of My children. If only they knew what awaits them. Oh, if only they knew how much joy one look of love gives Me, how it moves My heart, they would spend their days doing acts of charity and kindness and would truly love one another as I love them. Be kind to one another in My name. Help one another to gain sanctification and to have faith and courage to do what is right.

"My dove, I love you with an everlasting love and I will never leave you. Be at peace now, My precious child for I am yours and you are Mine. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Sunday, May 19, 2002  
The Feast of Pentecost

"Mary, it is I, your Jesus and I wish for you to write. How I delight My dove, in your love for Me and in your fidelity to Me. I am yours and you are Mine. Spread your wings and fly to glorious heights. I am with you always, I am your salvation. I am the light of the world. The light that pierces the darkness.

"Tell My children not to be afraid, they have nothing to fear, and they are all under My Mother's holy and glorious protection. Nothing can harm them. You must all continue to step out in faith. Stay steadfast in prayer and be good to one another. You must love one another as I have loved you, as I love you. Be true to yourselves; be strong in your convictions regarding holy things. People will try to dissuade you, stay steadfast in your beliefs. You will all be granted the graces to endure.

"Stay close to My Mother; she is your safe refuge in the storm. A glorious day is approaching, but you all must be prepared. Prepare your hearts, My little ones, prepare your hearts.

"I am blessing all of you with My peace and My grace for being faithful to My call and to that of My Mother's. I am dispensing very special graces upon you and all of your loved ones and those you recommend to Me. So, be at peace."

God the Father, now speaks:

"I, your Father, am blessing all of you. My love is with you. Surrender yourselves with complete abandon to My precious Son Jesus' Holy Will. There, nothing can touch you but divine love itself. Go in My peace now to love and serve My Jesus. Faith, little ones, faith. My peace rests upon you."

Jesus resumes His message:

"My little dove, it was My Father's will to dispense this very special grace to you and all of My loved ones and friends. Receive My peace and My blessing. I anoint all of you, My faithful, in the name of the Father and of the Son and of the Holy Spirit."

Tuesday, May 21, 2002  
11:37 - 11:51 pm

"Little one, Mary, it is I, your Jesus and I wish for you to write. Be at peace, My dove, for I am with you always. My precious child, continue to step out in faith for that is what I desire. My little one, long before you were born, I knew your name and the very essence of your being. What joy you bring Me, My flower. You are Mine and I am yours. You have found great favor with Me, My beloved, My betrothed. I will take you as My bride to My altar in heaven. In the company of My elect, you will stand. You will accomplish great things in My name. For this is My will and it has all been predestined by My Father. Give thanks and praise to My Father, for He loves you with a great love and His favor rests upon you.

"Go forth on angels' wings. You will never lose foot; no mountain will be too high, no valley too deep, no prairie too vast, and no river too swift. For My fleet of holy angels accompanies you, wherever you go. They stand guard over you and will always light your way. Rejoice and be glad, My dove, for a new era is about to dawn on the Universe that I have created. It will be a time of awakening. All of My children will see the state of their souls as I see them. Some will cry in horror at the way they have lived their lives. They will cry in horror. Thousands will repent, but too late, for My justice will be theirs. Whereas for My faithful little ones, they will experience My mercy for they are My chosen ones and theirs is the Kingdom of God. The lowly will be exalted and the exalted will be made lowly.

"A terrible chastisement can be averted by fervent prayer, but you must pray. You must be steadfast in prayer and you must desire peace. Satan is wreaking havoc everywhere. I will no longer permit this to happen to My flock. He will be commanded back to the fiery furnace from whence he came.

"My child, My love and mercy are yours. When the dark night approaches, you will be given the grace to endure; all of My faithful will be enlightened with My peace. Fear not, no harm will come to My precious ones. Prepare your hearts by acts of charity, good works, penance, contrition for your sins and sincere confession. Receive My Sacrament of confession often. Be at peace, My children for I am with you always. I have placed all of My children under My Mother's holy and glorious mantle, her mantle of protection. To you, little one,

much will be asked, but you will always be given the grace to persevere and endure. Rest in My arms, My dove, rest in My spirit, for I love you with a great love. Receive My blessing and anointing in the name of the Father and of the Son and of the Holy Spirit."

May 28, 2002  
Tuesday Evening

"Mary, little one, it is I your Jesus, and I wish for you to write. Continue to write, My Dove, for it is I your Jesus and I will not allow for you to be deceived. You are My precious pearl. Continue to step out in faith, My little dove, let the current of My love flow through you to others. Let My spirit flow forth from you. I have blessed your lips to proclaim My praises. I am with you everywhere you go.

"Rest on My Heart, little precious one, for I am your salvation and I will bring you deeper and deeper into the depths of My divine love. Let the flames of love from My most Sacred Heart penetrate the very depths of your soul. You are all Mine and I am all yours. Rejoice and be glad, My little pearl.

"Now, this mission that I have spoken to you so many times of is about to come to fruition. My Spirit leads you; you are enveloped in the glorious mantle of My Mother's protection, no harm can or will come to you. Be at peace, Mary, and pay no attention to distractions.

"A new era is about to dawn on My Church, but My children, all of My little faithful ones, must be prepared. I am gathering all of you and those you recommend to Me. Thousands of conversions are about to take place.

"Be on the watch, My dove, for My divine light will come from the sky, the clouds will be parted and My light, the light of My resurrection will shine forth. My children will be bathed in glorious light, and My Holy Spirit will move all nations. You must not be afraid, that is why I am telling all of you this, so you will be prepared. Go forth now in faith. You have My devoted and faithful priest, Father Shamon, and My precious daughter, Sister M.

"Gather your families and friends. Be at peace. Place all of your hearts in My hands; invoke My Spirit to shine forth in all of you. Many people will try to dissuade you, pay no attention. Continue to step forth in faith. Comfort those who are less faithful. Love one another, this is one of My greatest commandments, but above all, love God with all of your heart and with all of your soul. Place all of your trust in Me for I am the Way and the Truth and the Life.

"The world that I have created is in great jeopardy right now. My people no longer listen to Me, things that are sacred, hold no value to them. Money

and materialism are first for so many. How they will tremble when the very foundations of their earthly possessions will shake and crumble. They will cry in vain; but for My faithful, rejoice, I tell you, rejoice, for My Kingdom is at hand and yours in the Kingdom of God, the Kingdom of the Most High.

“Woe to those, I say, who do not listen and who do not hear My voice, for surely, My justice will be theirs. Be at peace, My dove; fear not, I am with you always. I am the light that pierces the darkness. Be at peace now, My dove, for My favor rests upon you and I love you with an everlasting love.

“I am blessing all of you with My peace and My grace in the name of the Father and of the Son and of the Holy Spirit.”

June 2, 2002

Sunday, 10:58 - 11:09 pm

“Little one, it is I, your Jesus, and I desire for you to write. Little one, Mary, how I love you. You are My precious pearl. I have heard the prayers from your heart and I will grant your heart’s desire, for I love you with a great love. Have no fear or worry. I will take care of everything.

“Now, I want you to prepare for your trip to Padre Pio’s Shrine. For it is there you will find Me in a special way. I am going to bless you, and I want you to prepare for My gift by abandoning yourself to My Holy Will. It is there that special graces will be given to you to aid you in your mission. My dove, rejoice, for My favor rests upon you. I have arranged all of this for you.

“Blessed Padre Pio always served Me faithfully, and with abandon. For he always desired My Will. Be brave and fearless, My dove, for I will open all doors for you. Pay attention to My devoted son and priest, Father Amedeo; he will guide you on this spiritual pilgrimage. Be steadfast in your prayer, do penance, and give praise and love to My Father, always. I am pleased with your work, My little dove. I will always provide for you and your loved ones. Have faith, for I am with you always, and I love you with an everlasting love.

“I am preparing your hands; when you feel tingling, it is My love deep within you, manifesting itself. Yes, I have blessed your hands and your eyes. I have enlightened you with My Spirit, for you will accomplish great things in My name.

“Be at peace, My little dove, much will be asked of you but I will always give you the grace to endure. The fleet of holy angels that I have assigned you will always light your way. You will never lose your footing; step forward in faith, My little one. You are under the watchful gaze of My Mother and she will crush any evil that rises up against you. Mary, you have My word and My word is truth. I am the Way, the Truth and the Life. Be steadfast in prayer, rest in My

arms, and rest in My spirit. Receive My blessing and anointing in the name of the Father and of the Son and of the Holy Spirit.”

June 4, 2002

Tuesday morning

Today, my dear friend John, and I are leaving for the Shrine of Our Lady of Czestochowa. It is a beautiful morning, sunny and warm. It was supposed to be a rainy day!

My friend picked me up at 5:45 am. Suddenly, a ray of light came directly from the sun and attached itself to the hood of our car. My friend was given the grace to see this too. At one point, there were two rays and then one; it went from the left side of the hood to the right. It was so beautiful! This has been happening to me for about six months now. When I experience this, I feel completely safe. I feel as though I am being guided and totally protected on my journey.

June 18, 2002

Tuesday, 10:23 - 10:35 pm

“Mary, My precious pearl, how your love for Me delights My heart. I love to shower you with My heavenly gifts. Receive these with love and an open heart. You are Mine, My little dove, and I am yours. Continue to step out in faith, Mary. I will never leave you, My precious child, for I am your Jesus, your Lord and your God. Draw from My font of mercy. I want all of My children to drink from the font of My mercy. I am calling all of you to myself, for I am the light of the world, the Way, the Truth and the Life. Be steadfast in prayer and fervent in acts of charity. You must love one another as I have loved you. Reach out to one another in love and sacrifice. Detach yourselves from things of this world and let your sights be set on holy and good things. Do not be afraid to ask anything of Me for it is My delight to shower all of you with My infinite mercy and grace. I am with you always and I will never leave you.

“Continue to step out in faith, stay close to My Mother. She is your Mother and I have placed all of you, your loved ones and friends, under the mantle of her protection. Nothing escapes the watchful gaze of My Mother. She is always protecting you and leading you on the road to holiness. Have faith and be strong when you meet adversity— all things of this world pass. My love for you is everlasting. I am the Alpha and the Omega.

"I am pleased with your faithfulness to Me and My holy and glorious Mother. I am blessing all of you with special graces. Listen to My beloved priest, Father Shamon. He is truly My holy and anointed priest. He is My gift to you and will continue to lead all of you on the path to holiness. I will speak through him. Be at peace now, My children. Thank you for inviting Me into your hearts. I am with you always and My peace is with you. Receive My blessing and anointing in the name of the Father and of the Son and of the Holy Spirit."

Before Our Lord, my sweet and gentle Savior, dictated this message, I was praying the rosary. As I was praying, I heard a voice interiorly, say, open your eyes. I was prompted to look up on the wall across the room from me. My eyes were fixed on the wall and I felt very peaceful. Gradually, I saw vague images, and as I continued to look, I was shown scenes from Our Lord's crucifixion. I saw a man standing over Our Lord as if to strike Him. I saw Our Lady, in profile; she was wearing a blue shawl over her head as she walked with Our Lord. And I saw a Roman soldier. The room filled with an amber soft diffused light. It was all encompassing and then everything else faded away. At first, I felt a little afraid, but at the same time I felt such peace. I said my discernment prayer and prayed to Our Lady, then, I felt total peace.

June 24, 2002

Monday, 10:41 - 11:03 pm

"My little gem, it is I, your Jesus, and I wish for you to write. Mary, My precious child, do not lose heart. I am with you always; your company gives Me great pleasure. The murmurs of love that I find deep within your heart please Me, My precious pearl. I find delight in your love for Me; do not hesitate to pray little one, pay no attention to distractions. I will not allow you to be deceived.

"It is good that the messages of love that I have dictated to you are being typed. I wish for a book to be made so that all of My children can share in My messages of love and mercy. My faithful little ones will recognize My voice and will experience My peace when they hear My words. This is My promise. Mary, continue to move forward. In time, My Father's Will, will be recognized and you will know what to do. I have given you My precious and anointed priest, Father Shamon, to guide you. He is My truly holy and anointed priest and will always guide you. It is good to confide in him, he is your confessor appointed by Me to help you grow on the road to holiness to which you have been called. Things will be revealed to both of you at the appointed time. Never lose heart when things begin to unfold. The world is in jeopardy; and right now there is much unrest. The evil one is wreaking havoc. So many

things can be averted by prayer, but you must pray. Pray for all of My children who are lost that they will find their way back to Me. I am dispensing much grace at this time, but the time is approaching when things will grow dark. My poor lost sheep will run to find solace. I will be there with open arms waiting to gather My children to My most Sacred Heart. Others will run the other way. They will be confused and they will be tormented by their own earthly desires. Woe to them, I say, who do not listen, for surely, perdition will be theirs. But for My faithful ones, the glory of Heaven will be recognized in its fullness. For My majestic splendor will reign over the entire Universe that I have created.

"The time is approaching when the angels will sound their trumpets. My majesty will be recognized by the faithful and by the unfaithful. Pray for My priests, for their responsibility is great. They will be given the grace to endure for it is My Father's will. Order and justice will be restored to My Church — the Church that I established and to which I gave Peter the keys. The light of My resurrection will renew the earth. My Spirit is bestowing gifts, many, many gifts on My chosen ones. Rejoice and be glad. Never waiver in your journey; continue to bring My children back to Me. Your prayer groups and the recitation of the rosary please Me. My grace is with all of you.

"My Mother's holy and Immaculate Heart bleeds for My children who have strayed so far away. My Mother pleads at the throne of My Father for all of her children to return to Me. Pray with My Mother that this great grace will be recognized. My little dove, go forth on angels' wings and never be afraid, I will continue to open all the doors. Soon the Bishop will make an inquiry, do not be afraid. My beloved Father Shamon will guide you through this. Many good things and graces will be observed, even the hardened hearts will respond with love. This is My will and you are My precious dove. I love you, Mary, and will never leave you. Little one, continue to reach out to My children with love, be kind to everyone you meet in My name. Do random acts of kindness and charity. I will continue to bless your work.

"Be at peace now, My precious Mary, and do not worry about anything. I am always with you and will never leave you. Receive My kiss of peace and love. I bless you and I anoint you in the name of the Father and of the Son and of the Holy Spirit."

Chapter 9  
Do Good Works  
(July & August)

1<sup>st</sup> or 2<sup>nd</sup> July 2002  
Morning

"Mary, it is I, your Mother, the Holy Mother of God. My daughter, I am with you always. Do not let your heart be troubled with these doubts. It is the desire of Jesus and my desire that you write my messages of love.

"Mary, my precious child. I wish for my children to gather on September 11<sup>th</sup> at the grotto, for my public message. Continue, little one, to step out in faith. My Jesus and I will always be there with you and my children. We welcome you with open arms and all of you are under the mantle of my protection. I love all of you with my maternal love. I will continue to gather and call my children. Do not worry about anything. My Jesus wishes to bestow upon all of you, many graces, blessings, and healings. Praise be to my Jesus. We are very pleased with your work, little one. Now, march on, my little soldier. I love you. Peace, My child, my peace and love are with you always."

1<sup>st</sup> or 2<sup>nd</sup> July 2002  
Evening

"Mary, I am the Holy Mother of God, your Mother. Little one, I wish for you to write this message.

"First of all, you are not to worry about anything. I am guiding you always. My Son, Jesus, will not allow any of my work to be interfered with or maligned in any way. You must believe this. My beloved priest, Father Shamon, will always guide you and stand by you. The Holy Spirit guides him, and he is guided by divine truth. March on, my little soldier, march on in faith and abandon yourself completely without reservation to my Jesus. We love you Mary, and we are very happy with your work.

"About the property you spoke of. Sister M is right in knowing that this inspiration has come from me. She is my beloved and faithful servant. Always listen to her. I would like the house and property you spoke of to be a place of refuge; an oasis for the spiritually weary. They will be renewed spiritually and will receive many graces and blessings. I will continue to guide you now on this mission that my son Jesus wills. Be at peace, my little one. My Jesus will continue to open all the doors and will provide for everything. I love you with

my maternal love and you are under the mantle of my protection. Do not doubt or worry about anything. My peace is with you.”

1<sup>st</sup> or 2<sup>nd</sup> July 2002

11:55 pm - 12:03 am

“My little dove, I am your Jesus, and I desire for you to write, little one. I am always with you, Mary. You abide in Me and I abide in you. I want you to be confident in prayer, know that I hold you in the palm of My hand. Continue to march on, My little one. You are My soldier and by My grace you will continue to step out in faith and continue to bring My children to Me.

“Little one, you are tired and need a good night’s sleep. You have a lot of work to do and I am very pleased with your work. Little one, run to My Mother with all of your cares and concerns. I am blessing you with special graces — as I told you this morning, after you received Me at Mass, I am blessing you with My signal graces. Rejoice and be glad, My little one, for I come to shower you with all of My gifts. My Mother is pleased with your work. You and your friends that I have blessed you with, please us with your child-like hearts. We love all of you so very much.

“Be at peace now, My little dove, and rest in My arms, rest in My spirit. I bless you and anoint you in the name of the Father and of the Son and of the Holy Spirit.”

Thursday, 11:21 - 11:41 pm

“Mary, My precious child, it is I, your Jesus. Step out in faith, My beloved, you are My treasured pearl. How I love to embrace you with My sweet and divine love. Little one, I am drawing you deeper and deeper into My divine love. This thirst that you feel deep within your soul comes from Me. I alone can quench this thirst. Experience My rapture and divine embrace, given to you by Me, your Lord and Savior.

“My precious Mary, how your love delights Me. It is sweet consolation and a soothing balm for My Most Sacred Wounds — wounds that My people reopen by their unfaithfulness, and by their love for self and of earthly things. Woe to them, I say, if they only knew what awaits them; they would cry in horror and beg for My mercy. I am mercy and I want all of My children to drink from the font of My mercy. What happiness I feel when a hardened sinner repents and seeks My mercy. I am always quick to forgive the truly repentant heart. I shed

My blood for all of mankind so that they would know eternal life and share in My heavenly banquet.

"Little one, I am pleased with your work of bringing souls to Me. Pray, My daughter, for all of My children who have strayed from Me. I am especially happy with your small groups of prayer. Stay steadfast in your quest for Me and always seek My Mother's intercession. My Mother's wish and desire is that all of My children return to Me. The quickest way to Me is through the sorrowful and Immaculate Heart of My Mother. The way to My Father is through Me. Always seek the will of My Father in everything you do so that you will always stay on the road to holiness.

"Little one, great is your mission. That is why you have been blessed with My holy and devoted one, Father Shamon, who has been appointed your confessor. My Father has willed this. My beloved Father Shamon will always guide you. I will continue to speak through him. He is My anointed priest and he is ordained to lead My priests out of exile, and out of chaos. This will happen on the day of My Father's choosing. My priests are now in a great battle waged by Satan himself. This is a trying time for My Church. I will no longer allow this pestilence, and Satan will be cast back into the fiery inferno from whence he came. My Church will be illuminated by the light of My resurrection and the breath of My spirit.

"Have no fear, My little dove, for I am always with you. My beloved priest, Father Shamon, and My beloved daughter, Sister M, will always guide you on your mission. They will be your refuge in the storm. I have appointed a fleet of holy angels to be always with you and to stand guard over you. My beloved Raphael is your special protector. He has been with you since the moment of your conception. So rejoice and be glad, little one. Do not let things of this world distract or discourage you. There will always be unbelievers, but they will be outnumbered by My faithful. You are My chosen one, and all things will be revealed to you and My beloved Father Shamon, your confessor, and My beloved Sister M, at the hour of My Father's choosing. Soon, things will be revealed to all of My children. Pray that they will all be given the gift of enlightenment so they can choose the road to holiness.

"Be at peace now, My little dove. Rest in My arms, rest in My spirit, and know that I keep you deep within My Most Sacred Heart, for you belong to Me and I belong to you. My precious child, I am always with you, along with My holy and Immaculate Mother. Be at peace and receive My special blessing and anointing in the name of the Father and of the Son and of the Holy Spirit."

How can I describe how I feel as I write the words that my sweet Lord and Savior dictates to me, a poor nothing? I feel as if I am melting, it is hard to describe or put into words. This is such a great blessing. Praise be Jesus and praise be His most holy name. I wanted to call Father Shamon and share this

message, but it was 11:47 pm and I was sure he was sleeping. I love Father so much. I don't know what I would ever do without him. I am so grateful that Our Lord has blessed me with my beautiful best friend and confessor, Father Shamon.

Tuesday

"Mary, my daughter. I am the Blessed Virgin Mary. My Child, I am so pleased with your work. I will continue to bless you and all of my children for being so faithful to my call. I would like for you to gather at the grotto on my feast day, the Feast of the Assumption, on August 15<sup>th</sup>, at 8:00 pm. I will be there with my Jesus.

"Peace, My daughter, continue to step out in faith. I am with you always. Praise be to Jesus. Peace, little one, peace. My peace is with all of you."

July 17, 2002  
Wednesday, 7:13 - 7:18 am

This morning, I prayed my rosary before I got out of bed and to my surprise; my sweet Savior graced me with this message.

"Mary, My precious dove, it is I, your Jesus, and I wish for you to write. How your love for Me delights Me. Mary, do not be afraid and pay no attention to the distractions you experience when you pray. Go forward now in faith, great is your mission. Events are about to take place that all of My children must be prepared for. Encourage My children to put on their spiritual armor. Be steadfast in prayer and never waiver in your desire to bring My children to Me. Through the intercession of My Mother's holy and Immaculate Heart, this is possible. But, you must pray. Pray with confidence. I am with you always.

"Today will be a special day for you. Go forth now in My peace. Receive My special blessing and anointing in the name of the Father and of the Son and of the Holy Spirit."

July 30, 2002

Tuesday, 12:22 am

"Mary, My precious child, it is I, your Jesus, and I wish for you to write. My little dove, let not your heart be troubled. What you experience comes from Me, your Lord and your God. I have promised you that I will not allow you to be deceived. Continue to step out in faith. The fruits of My work will continue to flourish as you gather My children to prayer under the guidance and protection of My Mother. Persevere, little one, you will always be given My grace and will be guided by My spirit, for it is My Father's Will. Your mission is great and I will continue to open the doors. Blessed are they who believe and have not seen for their reward is great in Heaven.

"I have appointed My beloved priest, Father Shamon, to be your confessor. He will always stand by you, My dove. Continue to bring My children to Me and to My Immaculate Mother, for this is My Father's will and has been written down throughout the ages.

"Now, I desire to give you a message for all of My children. It delights My most Sacred Heart that My children have turned to My Mother and Me through prayer and sacrifice. I hold all of My children close to My most Sacred Heart, and will continue to bless them with My infinite mercy and love. Woe, to those, I say, who hear My words and continue to seek the ways of this world. If only they knew what a terrible folly this is; they would repent and beg for My mercy, for My justice will be theirs. But for you My dove, and for My faithful little ones, My mercy will flow. Continue to be kind to one another and stay suited in holy armor.

"Satan is wreaking havoc everywhere and seeks the ruin of souls. Guard yourselves against his attacks by receiving Me in the Holy Eucharist, often. Receive the sacrament of penance, fast and do good works. Seek the intercession of My Mother, always. Recite the daily rosary and turn away from things of this world. Keep your sights on holy and good things. This is how you will prepare your hearts for things to come. The hour is approaching when the just hand of My Father will come over the world. Pray that it will be swift. This is necessary to rid the world of evil so that My children will live in love and harmony and will give love and praise to My Father. My Father wishes to shower all of you with His love and grace, for you belong to Him and He wishes for all of you to experience the majesty of My Kingdom.

"To all of you, My love and mercy flow, for I am your Lord and your God, the Alpha and the Omega. I am the Light of the world. I am blessing all of you with My peace and My grace, in the name of the Father and of the Son and of the Holy Spirit."

Wednesday, 4:50 - 5:08 pm

"Mary, My dove, it is I, your Jesus, and I desire for you to write. Little one, I wish to give you and all of My faithful children that will gather to pray tonight a special message. For I am your Lord and your God, and your faithfulness to My call and to that of My Mother's, pleases Me so very much. I am here for all of you. When your burdens seem heavy and too much for you to bear, lean on Me. I will give you comfort and a reprieve from the everyday stresses of life.

"Seek Me first in all that you do. Do not make hasty decisions. Bring everything to Me in prayer. Let your prayers rise up to Me where I meet them with great love and anticipation. Continue to turn away from things of this world, set your sights on good and holy things. Honor My Father first, above all else. Place all of your trust in Me where I hold each and every one of you so close to My Most Sacred Heart. I hear each murmur of love for Me and what a consoling balm that love has on My Most Sacred Wounds. I have placed all of you under My Mother's watchful gaze. You are all under the mantle of My Mother's protection. Never doubt or be fearful, you are so close and dear to My Mother's holy and Immaculate Heart. Continue to turn to My Mother, she is your Mother and always guides you with her maternal love. Always seek the intercession of My holy and glorious Mother!

"Continue, My precious little ones, to step out in faith. My spirit will always nourish you. Receive My very special blessing and graces tonight, as I hold you all so near to Me. My love and peace are always with each one of you and your families and to those you recommend to Me. Continue to fight the good fight. I bless you and anoint you in the name of the Father and of the Son and of the Holy Spirit."

"Mary, I am Therese of the Child Jesus. I am here with you now as allowed by God the Father. I will assist you on your journey; you are my sister. Never be afraid, I will light your way and throw fragrant roses on your path. Turn to me; I am here to help you. I will teach you my little way."

August 16, 2002

Friday, 8:59 am

"Mary, My precious child, it is I, your Jesus, and I desire for you to write, My little dove. You are My pearl and My precious gem. How I delight, My daughter, in your love and fidelity for Me. I am so pleased with your work. Continue, little one, to step out in faith. Your reward is great is Heaven. You are one of My little ones. How I love to shower you and My faithful with My gifts of love. If only you knew what awaits all of you who have been faithful to My call and to that of My Mother's. All of you would leap with joy, for My riches are incomprehensible.

"March on, My little dove, you are My soldier. I have suited you in holy armor, and no evil shall touch you. This is My promise. Before long, a great light will appear in the sky. I wish for all of My children to be prepared for this. It will be the prelude of things to come. My Holy Spirit will come over the world My Spirit of love and truth. I want all of My children to be prepared for this miraculous event. Stay true to My word and My teachings, receive Me often in the Holy Eucharist, go to monthly confession, do acts of charity and kindness, and reach out to one another in love. For I am love and I desire for all of you to step out in faith. Trying times are ahead for My people. That is why I want all of you to stay suited in holy armor. Continue to step out in faith and never be afraid. I am with you always. I have placed all of you under the watchful gaze of My Mother. My holy and glorious Mother holds all of you close to her maternal heart, and you are all under the mantle of her protection. Fear not and proceed in faith.

"I am the Light of the world; the Light that pierces the darkness. I am the Way and the Truth and the Life. All who come to Me will be filled with grace and peace for I shall give you rest and your burdens will be light. Go forth and spread your wings of love, My little dove. I am showering you and My beloved faithful with My grace. Continue to pray for all of My sheep that have strayed that they will find their way back to Me through the intercession of My Mother. Little one, rejoice and be glad for My favor rests upon you and My faithful little ones. Receive My blessing and special graces. I anoint you in the name of the Father and of the Son and of the Holy Spirit."

August 19, 2002

Monday, 11:17 – 11:36 pm

"Mary, My precious child, it is I, your Jesus, and I desire for you to write. My child, pay no attention to the distractions you experience when you pray. I

know what is written in the depths of your heart, My dove; so persevere and do not hesitate to pray. For I am always with you and will never leave you.

"Little one, the world that I have created is in great jeopardy right now. My children are so lost; they seek the ways of this world. They are so lost in their folly and have lost all sense of truth and of what is right. I have shed My most precious blood so that all may be saved, but so many have turned away from Me. They do not recognize Me in their neighbor, nor do they recognize My voice or the very gifts that I have given to them. They have made materialism and greed their main priority and they do not take time to reflect or pray — they seek their own ruin. You must pray for My lost sheep. I desire for all of My children who walk in truth and who are enlightened by My Holy Spirit to pray for My lost sheep that they will return to Me before it is too late. If only they knew what their foolish pride would cost them they would hide their face in shame and would cry for My mercy. My justice will be theirs.

"This is a time of great grace and mercy. Pray that all of My children will respond to the grace that My Father is dispensing now. The evil one has penetrated even My Church. I will cleanse My Church of this pestilence. I will no longer allow Satan to wreak his havoc. I will command him back to the fiery inferno from whence he came. I will restore My Church to its full beauty and splendor.

" You must pray for My priests as they resist his evil attacks. I will grant My priests all the graces they need to persevere, and they will be enlightened by My grace. Pray for My Vicar on earth, Pope John Paul II, he is My son and My elected and anointed Pope. He sits on the throne of Peter. My Pope is being attacked on all sides. He will persevere, for I hold him in the chambers of My Divine Heart and My Mother is his refuge. Pray, little one, for the Holy Father, My beloved Pope John Paul II, as he leads My Church out of this dark hour.

"Little one, always seek the intercession of My Mother. She is your refuge in the storm. She is your constant protection and will crush any evil that rises up against you. This is My Father's will. A very special mission has been appointed to you and from this night on My beloved St. Therese of the Child Jesus will protect and guide you. This is My gift to you, always invoke her intercession, for she will be your special patron and she stands ready to assist you.

"My precious, precious, Mary, you will always be given the grace to endure any trial, for you are My precious pearl and My heart delights in your love for Me. Go forth, My little dove, and continue to listen to My beloved and devoted priest, Father Shamon. He is your confessor appointed by Me. My beloved Sister M will continue to guide you; and they will both light your way on the path to holiness. All will be revealed to you at the hour of My Father's choosing. For now, My daughter, rest in My peace and be still in My arms for I

love you with an everlasting love and will never leave you. This is My promise. Receive My special graces and anointing in the name of the Father and of the Son and of the Holy Spirit."

August 20, 2002

Tuesday, 11:09 - 11:15 pm

"Mary, My dove, it is I, your Jesus, and I desire for you to write. My precious child, you are so near and dear to My Divine Heart. March on little one, you are My soldier. Much will be asked of you but never fear you will always be given the grace to endure. Great is your mission that has been predestined in love, for it is the will of My Father that by My grace you will continue to bring My children back to My most Sacred Heart. My holy and glorious Mother is calling all of My children to Me. Through the work of My Mother's hands and through her most Immaculate Heart, My children will be called one by one. They will be shielded from strife and turmoil as they find their way back to Me.

"I will keep all of My children, My faithful ones, shielded in holy armor. Continue to receive Me often in the Holy Eucharist, be kind to one another and love one another as I have loved you. Recite the daily rosary and do random acts of kindness and go to confession regularly. This is where My little ones will find Me. I am their strength. Persevere, My little ones, for I am with you leading you on the road to holiness. Go forth now in My peace and My grace. I anoint all of you with My peace and love in the name of the Father and of the Son and of the Holy Spirit."

August 27, 2002

Tuesday evening

"Mary, My precious dove, it is I, your Jesus, and I desire for you to write. My precious child, how My heart delights in your love for Me. March on My little soldier and continue to spread My messages of love and mercy to all of My children. Continue to step out in faith by inviting My little ones to gather for prayer by the recitation of the rosary. How happy it makes My Mother and I to see Our children step out in prayer and sacrifice. These children I speak of, My precious faithful ones, will all drink from the font of My mercy. If only you knew how much My heart overflows with love for all of you. I will continue to reward you for your faithfulness by bestowing My gifts of love and mercy upon all of you for My riches are great and My gifts, inexhaustible.

"I desire that all of you recite My Chaplet of Divine Mercy for all of My priests for they are undergoing a great battle. My Chaplet is holy armor for all of them. Many trials have taken place in My Church. These are things that I will cleanse My Church from by My grace. For it is My Father's will. My priests should march on fearlessly for they are My Body on earth and great is their mission dispensing My Sacraments and proclaiming My word to My children, both the faithful and unfaithful. This is their mission. I desire for them to respond with love and compassion to My flock. And so many of them need to abandon themselves from things of this world. They must keep their sights on Me as I lead them out of this dark hour.

"Rejoice, My doves, for you will all be rewarded in My Kingdom. My Kingdom is of a majestic splendor and love of which none of you can ever imagine; great are My gifts. My Holy Spirit will come over the world to cleanse it of sin. My faithful will be protected; you are all under the mantle of My Mother's protection and under her watchful gaze.

"March on My little ones, on the road to holiness where I walk with you with outstretched arms shielding all of you from the evil one's attacks. You are My chosen children and how I delight in leading all of you to My heavenly banquet. For My riches are great and My gifts, inexhaustible.

"I am blessing all of you with fortitude and the grace of perseverance. I bless and anoint you all in My peace and My grace."

Chapter 10  
My Father's Will  
(September & October)

September 4, 2002  
Wednesday, 7:20 pm

"My precious dove, My child, I am your Jesus, how I delight in your love for Me. My precious Mary, I desire to dictate a message to you for all of My children who have traveled here tonight.

"I have called each and every one of you deep within the love of My most Sacred Heart.

"Little children, believe that I am with you always. I will never leave you. I want to prepare you for difficult times ahead. I speak to you of this so that you will never lose heart. The world that I created is in great jeopardy right now. My people have lost their way; they no longer recognize Me and have turned away. If only you knew how this grieves My most Sacred Heart.

"Little ones, I have placed you under the special care of My Mother's protection. She is your refuge, always run to her where she awaits you with her maternal love. My dear children I am blessing you with special graces this evening. Stay suited in holy armor, receive Me often in the Holy Eucharist, do penance, attend confession often, and recite the daily rosary. Listen to Me, My children. Take time out in silence and prayer for it is then you will hear Me in the depths of your hearts. I will remember each of you by name before the throne of My Father. Receive My blessing and anointing. I bless and anoint you in the name of the Father and of the Son and of the Holy Spirit."

September 25, 2002  
Wednesday, 5:07 - 5:12 pm

"My precious dove, it is I, your Jesus, and I desire you to write. I am pleased that you have all gathered to pray. You are My chosen ones and My faithful little ones. I will reward you for your fidelity. Be at peace, My children and continue on the path to holiness to which you have been called.

"To step out in faith takes courage, sacrifice and, above all, love. I am Love. I am always with you. You abide in Me and I abide in you. Dear children, know that I will never leave you. I will always guide you. Your prayers and love are a soothing balm to My sacred wounds. I have shed My blood for all of My

children so that you will know salvation and the depths of My mercy. Pray for My children who have strayed from Me; pray that they will hear My Mother's call and will return to Me through the Heart of My most glorious Mother. Children, you are all under My Mother's watchful gaze and under the mantle of her protection. Be steadfast in prayer, receive Me often in the Holy Eucharist, come sit and visit with Me I long to know My children intimately. Cast all of your worries and concerns on My shoulders, little ones. This is where your yoke will become light and your burdens will disappear in the sea of My mercy.

"Rejoice, My little ones, a new day is about to dawn. My Church will be raised up to new heights and My faithful chosen ones will know true peace and love. Be at peace now My precious children. Receive My grace and blessing. I bless and anoint you in the name of the Father and of the Son and of the Holy Spirit."

September 27, 2002  
Friday, 12:33 - 12:55 am

"My precious gem, My Mary, how I delight in your love for Me. My child, I desire to dictate this message to you. My precious dove how your love soothes My sacred wounds. My desire is for you to come to Me with all of your concerns. I will refresh and enlighten you in all matters. Have no concerns, My dove, for great is your mission and I have much work for you to do.

"It pleases Me that My beloved Father Shamon and your dear friends are coordinating My messages with you. Soon My message of love and mercy will come into fruition. It is My desire that this book be published. It will reach the faithful and unfaithful. For My words are sacred and they will touch the hearts of My flock. Many conversions will take place for it is My Father's will. Much grace will be distributed to the individual readers. My grace will continue to flourish for I will call you out upon your mission to spread My messages of love and mercy.

"Proceed in faith for I go before you always. I will open all doors for you and for My faithful children who I will call to join you on your mission. You will never lose foot nor will any obstacles obscure your path. Great events are about to take place and I wish to prepare My children for these. The day of enlightenment is soon approaching. My faithful will continue to gravitate toward you for it will be Me that they will be drawn by and recognize in you. You must not feel overwhelmed by this responsibility because I will always grant you the grace to endure. It is all for the greater good and to prepare My children for the dawning of My new era. For I will draw the faithful into My divine love as they anticipate My return.

"This day will be so great, a day which no man has ever seen. My Mother's long awaited triumph will be fulfilled and her Immaculate Heart will reign over the earth as it does in Heaven. My Mother's heart longs for all of My children to return to Me — as she pleads for all of you at the throne of My Father. I beg you, My children, run to My Mother and invoke her maternal love and protection. My Mother loves all of you with her most pure and Immaculate Heart. Dear children, if only you realized the gift of My Mother's love to all of you. You would truly weep out of love and joy.

"Woe to those I say, who do not hasten to My Mother's call. This is a desperate hour as My Mother pleads for all of her children to return to Me. My faithful will be rewarded for they shall be bathed in the light of My resurrection and they will experience My majestic splendor. My precious Mary, I am dispensing special graces to you this evening. Always remember to call on your special protector, St. Raphael and your special patron, St. Therese, who I have given you in this very special time. My dear Mary, My Mother and I are very pleased with your work. Continue to step out in faith; soon My priests will join you and My beloved priest, Father Shamon. Always listen to Father Shamon for he is your confessor appointed to you by Me. He will continue to lead you on the path to holiness along with My beloved servant, Sister M. She will always guide and protect you as she continues to guide My flock.

"Mary, you are My beloved and My betrothed. I abide in you and you abide in Me. I will never abandon you. I am with you always. Place all of your trust in Me as I continue to lead you, My dove and My pearl.

"I am blessing you with special signal graces, for you belong to Me and I belong to you. Receive My blessing and anointing in the name of the Father and of the Son and of the Holy Spirit."

October 5, 2002

Saturday, 8:21 - 8:43 pm

"My daughter, I am the Queen of Heaven, the Holy Mother of God. I desire to dictate this message of love to you and all of my precious children.

"The time is approaching, my daughter, when the world as man knows it will change. The hour is fast approaching when the rays of love and mercy from my Son Jesus most sacred heart will illuminate the earth. Many, many of my children will run in fear for they have not taken the time or have they had a desire in their hearts, to know my Jesus. Therefore, they will be very afraid. Pray children, that when this hour of mercy and enlightenment approaches, that my children will respond to the grace that my Jesus will bestow upon them. Children, you must have faith, be as little children with simple hearts and

a simple faith. My children must approach me with a simple heart so that I can gather them and bring them to My Jesus.

"The world as you know it now is in great distress; men turn to money, power, and false security. They do not know what it is to pray and they have refused to listen to My Jesus. They have not responded to my call. My call of love, mercy and forgiveness has fallen on deaf ears. What more can I do, dear children? I need your prayers. There will come an hour when all of my children will have the opportunity to change and be reunited with My Jesus. My Son has so much sorrow because His children have turned their backs on His love and mercy. Pray that the just hand of the Father will be swift and that His wrath will be turned back for God the Father is losing patience with the arrogance and foolish pride of men.

"My children, pray, fast, do penance and return — return, I tell you, to the sacraments. First, to confession so that you can approach My Son Jesus in the Holy Eucharist, with a clean heart. Receive My Jesus often, do penance, fast and deny yourselves little things that you like. Be kind to your neighbor and love one another. Pray the daily rosary with your families and friends and pray with open and simple hearts. I am with you, children. I bring all of your love and prayers to My Jesus. I know the desires that lie in the hearts of my faithful. No prayer from the heart goes unanswered.

"My dearest Mary, I am always with you. Great is your mission, my little one; you are one of my soldiers. I am always with you leading you as I call my children to my Jesus. Soon the world that my Jesus desires will come to pass. My Son will establish His kingdom on earth, it will be a land that you cannot even imagine. The peace of my Jesus, will reign in the hearts of all men. There will be no more sickness, poverty, or hunger. Every man shall desire to serve my Jesus out of love, as God the Father intended for all of His children — to live in the love and peace of Jesus. My dear children, harden not your hearts and have no fear for my faithful shall endure and no harm will come to any of you, your families or those you recommend to me. You are all under the mantle of my protection.

"My Jesus is calling all of you deep within the love of His most sacred heart. You are all lead by divine grace. My dear, dear children, I am with you and my peace and love are with you as I continue to call each one of you to my Jesus. Peace, my children, peace."

October 12, 2002

Saturday, 11:16 - 11:37 pm

"Mary, My precious dove. It is I; your Jesus, and I desire to dictate this message of love and mercy to you and to all of My faithful flock.

"Rejoice, My children, for I hold all of you in the depths of My divine love, for I am love and My love for you is incomprehensible. If only you could imagine the depths of My treasures, the treasures that await all of you. My children, run to Me, console Me with your love and prayers. If only you knew how one look of love moves My heart.

"Harden not your hearts My precious children. If you feel lonely, discouraged and weary, come to Me. I will refresh you and I will always grant you the graces you need to endure all of your trials. Walk with Me and tell Me your troubles and your joys. Walk with My Mother; she endured each painful step on the road to Calvary. Her pain was so great but she never wavered in her faith and love. My Mother does everything out of love and for love. Great is My Mother's love for all of her children, all of you, My faithful children. My Mother brings My Father and Me all of your love, petitions, and prayers. How happy it makes My Mother to present to My Father, prayers and love from the hearts of My faithful. My Father has allotted you all a special grace, for He has placed all of you under the watchful gaze of My Mother's protection. No harm shall come to you. Be steadfast in prayer, do penance, attend confession often and receive Me in the Holy Eucharist — where I anticipate your love and fidelity. Oh, My children, you will be rewarded for your faithfulness.

"Children, know that I am your Jesus, the Light of the world. I am the Alpha and the Omega and am with you always, leading and guiding you on the road to holiness. Soon My New Jerusalem will be recognized, My Kingdom will be established on earth. A sign will precede this miraculous event that all men will see — a great sign will appear in the sky. The rays of love and mercy from My Most Precious Wounds will illuminate the earth. Children, when this happens, do not fear. On the contrary, rejoice, for you shall all share in My majestic splendor. Pray, fast, and be faithful. Pray for all of My children that they will respond to the grace that My Father will bestow upon them. This will be an opportunity for even the most hardened sinner to repent and return to Me."

October 21, 2002

Monday, 10:00 - 10:19 pm

"My precious Mary, it is I, your Jesus, and I desire for you to write, My dove. Let not your heart be troubled little one, for I am always with you and I am your refuge. Seek refuge in My most sacred wounds, My dove. You belong to Me and I belong to you. My precious Mary, I know what is written in your heart, as I know what is written in all of My children's hearts. For I am the Lord of hearts. Seek Me first, My dove, in all that you do, for I desire for you to do only My will.

"My dove, you are My precious pearl, how your love for Me delights Me, My dove. I hold you in a very special place within My divine love for I knew your name long before you were born. I knew your destiny and holy mission that you would be called upon, for it is My Father's Will. Be brave My dove, steadfast and courageous in your quest for Me. For I shall never let you falter you are My betrothed. I have blessed you with My devoted and anointed priest, Father Shamon. He will continue to guide you on the road to holiness. My devoted and beloved daughter, Sister M is your special protection. She is your fierce ally. Tread lightly; tread on angel's wings for the fleet of holy angels I have assigned to you will never leave your side. Great is your mission. Take great confidence in what I say to you, My precious Mary, for My words are sacred and My love for you is everlasting. My beloved Father Shamon will always be at your side for he is your rock and he has been appointed to you as your confessor; for this is My Father's Holy Will.

"Much will be asked of you, My dove, but fear not My grace is always with you and I will always bestow upon you strength, courage, and great graces, signal graces, and everything you need. I will provide for all of your necessities, for it delights My Heart to bestow My favors upon you. Rest in My arms My little dove and continue to offer Me your hardships, soon you will see the fruits this offering bears. Little one let no one discourage you for you are Mine and I am yours. You are under the special protection of My Mother and she will crush an evil that rises up against you. Continue to step out in faith with great confidence, as My Mother continues to call her faithful and non-faithful to join you in praying the rosary.

"So many graces, blessings and healings will take place as a result of this. It is only just beginning My dove. Soon My priests will join you as they continue to recognize that this is the work of My hand. Soon, My messages of love and mercy will be published and My children will be filled with grace as they recognize and respond to My words. Be at peace now My little dove, and let all of your prayers rise up to Me where I await them with sweet love and anticipation. Worry about nothing and rest in My mercy and peace. I am

blessing you with special signal graces this evening. Continue to call on St. Therese, your special patron, and My beloved St. Raphael. They are with you, guiding and watching over you. Receive My special graces and blessings. I bless and anoint you in the name of the Father and of the Son and of the Holy Spirit."

October 28, 2002

Monday, 10:07 - 10:20 pm

"Mary, My precious daughter, it is I, your Jesus, and I wish for you to write. Let your love soar to Me, My dove. Let it take flight like the birds of the sky.

"Tonight I wish to talk to you about the Universe that I have created. All things of beauty come from Me — the majestic mountains, the deep and vast sea, the creatures of the sea, the animals of the prairie, the blue sky, the gentle rain, the delicate flowers and the first dew on the morning grass. The entire Universe sings My praises. My dove, I tell you this so My children will realize as I take such tender care of the smallest bird, the grass and the tallest tree, I take care of My little faithful children so much more.

"I desire My children to have a strong faith, a faith so firm they will abandon themselves completely to My Father's will. This is where true peace and happiness are found; in My Father's will. I take care of all of My faithful. Let your hearts rejoice in My words to you. Even when things seem dark and despairing, never give in to these passing thoughts. For I am your Lord and your God, I am the light of the world, and soon the day will approach and the morning will dawn with the light of My resurrection. This light will illuminate the whole Universe. Be fervent in prayer, this will increase your faith more and more. As My birds take flight, allow your prayers and efforts in good works to soar to Me with love. Prayer from the heart is what I desire most for your love is a sweet balm to My Most Sacred Wounds.

"Children, rejoice in My love for you. Rejoice, you have all been allotted a special grace. For it is the will of My Father that each one of you, your families, and those you recommend to Me, are under the mantle of My Mother's protection. Nothing escapes the watchful gaze of My Mother. If only you could realize the love My Mother has for all of you. Walk with My Mother; she is your consolation and your protection. Continue to step out in faith as My Mother calls all of you to prayer, self-sacrifice and love. My Mother pleads for all of you at the throne of My Father.

"Soon, a glorious day will be realized — the day is approaching when the reign of My Mother's holy and Immaculate Heart will be triumphant. I am

showering all of you with special grace for your faithfulness is so very special to Me.

“My little ones receive My blessing and anointing. I bless you and your families with My peace and My grace in the name of the Father and of the Son and of the Holy Spirit.”
